

UK & US Step Down Kick-out Plan (MS073)

Plan Summary

Potential Early Maturity (Kick-out)

The Plan has the potential to mature early (kick-out) from the first anniversary, and on four subsequent Anniversary Dates, depending on the performance of the FTSE 100 Index and the S&P 500 Index.

If, on an Anniversary Date, the closing levels of both the FTSE 100 Index and the S&P 500 Index are **at or above their required kick-out levels**, the Plan will mature early and your Initial Investment will be repaid to you, plus an accumulated return of 8% for each year that has elapsed since the Investment Start Date.

If however, the FTSE 100 Index or the S&P 500 Index is **below its required kick-out level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Final Redemption

Where the performance of the FTSE 100 Index and the S&P 500 Index has not activated an early maturity and the Plan runs for the full six year term, the final value of the Plan will be determined by the Final Index Level of the worst performing Index on the Investment End Date.

If the Final Index Level of the worst performing Index is **at or above 85%** of its Initial Index Level, your initial investment will be repaid to you, plus a return of 48%.

If the Final Index Level of the worst performing Index is **below 85% of its Initial Index Level**, but **at or above 65% of its Initial Index Level**, your Initial Investment will be repaid to you, but you will not receive a return from your investment in the Plan.

If, however, the Final Index Level of the worst performing Index is **below 65% of its Initial Index Level**, repayment of your Initial Investment will be reduced by 1% for every 1% the Final Index Level of the worst performing Index is below its Initial Index Level, and you will not receive a return from your investment in the Plan.

Return of proceeds

Your maturity proceeds (including Initial Investment, plus any returns from the Plan or minus any deductions) will be applied to your Walker Crips account within 10 business days of the Investment End Date (or relevant Anniversary Date), subject to timely receipt of the funds from the issuer.
