

UK Annual Kick-out Plan (HS262)

WALKERCRIPS
Structured Investments

The Plan provides the potential to receive an accumulated return of 9% p.a. depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the FTSE 100 Index closes **at or above the Initial Index Level** the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 9% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index closes **below the Initial Index Level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full five year term, investors will lose a significant proportion of their Initial Investment if the Final Index Level is below 65% of its Initial Index Level on the Investment End Date.
