## UK Step Down Kick-out Plan (HS322)

## The Plan provides the potential to receive an accumulated return of $6.75 \%$ p.a. depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the FTSE 100 Index closes at or above the required kick-out level, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 6.75\% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index closes below the required kick-out level on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full five year term, investors will lose a significant proportion of their Initial Investment if the Final Index Level is below 60\% of its Initial Index Level on the Investment End Date.
