

UK & Europe Step Down Kick-out Plan (CA065)

WALKERCRIPS
Structured Investments

The Plan provides the potential to receive an accumulated return of 9.75% p.a. depending on the performance of the FTSE 100 Index and the EURO STOXX 50 Index.

If, on an Anniversary Date, both the FTSE 100 Index and the EURO STOXX 50 Index close **at or above their required kick-out levels**, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 9.75% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index or the EURO STOXX 50 Index close **below their required kick-out levels** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full six year term, investors will lose a significant proportion of their Initial Investment if the Final Index Level of either Index is below 65% of its Initial Index Level on the Investment End Date.
