Potential return

When you invest in the UK Step Down Kick-out Plan, repayment of your Initial Investment and any potential return is not guaranteed but is dependent on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the Index closes **at or above the required kick-out level** the Plan will end and your Initial Investment will be repaid to you, plus an accumulated return of 7.00% for each year that has elapsed since the Investment Start Date.

If, however, the Index closes **below the required kick-out level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full six year term, you will lose a significant proportion of your Initial Investment if the Final Index Level is below 65% of its Initial Index Level on the Investment End Date.

Investment risk

Where the Plan has not matured early and runs to the full six year term, repayment of your Initial Investment and any return from your investment in the Plan will depend on the Final Index Level (the Closing Level of the Index on the Investment End Date).

There are three possible scenarios on the Investment End Date:

- If the Final Index Level is **at or above 85%** of the Initial Index Level your Initial Investment will be repaid to you, plus a return of 42%.
- If the Final Index Level is **below 85%** of the Initial Index Level, **but at or above 65%** of the Initial Index Level, your Initial Investment will be repaid to you, but you will not receive a return from your investment in the Plan.
- If, however, the Final Index Level is **below 65%** of the Initial Index Level repayment of your Initial Investment will be reduced by 1% for every 1% the Final Index Level is below the Initial Index Level, and you will not receive a return from your investment in the Plan.

The table below illustrates how your investment in the Plan would be affected by the performance of the Index on the Investment End Date.

Where is the Final Index Level in relation to the Initial Index Level?	Is the Final Index Level below 65% of the Initial Index Level?	How much of my Initial Investment will be repaid to me?	What return will I receive from the Plan?
+15%	No	100%	42%
0%	No	100%	42%
-15%	No	100%	42%
-16%	No	100%	0%
-35%	No	100%	0%
-36%	Yes	64%	0%
-55%	Yes	45%	0%
-75%	Yes	25%	0%
-100%	Yes	0%	0%

Irrespective of the performance of any Index, your Initial Investment and the potential returns from the Plan are at risk if HSBC Bank plc were to fail or become insolvent.

The Index

Your money is not invested directly into the FTSE 100 Index. However, as repayment of your Initial Investment and any return you may receive from the Plan is dependent on the performance of the Index, it is important to understand what it is and how it could affect your investment.

The FTSE 100 Index is a share index which represents the performance of the UK's 100 largest companies listed on the London Stock Exchange. The Index includes many household names such as GlaxoSmithKline, HSBC and Vodafone. It is a price index which means that it is based solely on share prices and does not take into account returns from dividends.

Based on an example, if the Initial Index Level for the Index was 8000, the table below illustrates the required level of the Index on the corresponding Anniversary Dates for the Plan to produce the returns detailed on page 5.

Please note that the Initial Index Level and the Final Index Level used below are examples only. The actual Initial Index Level for the Plan will be determined on the Investment Start Date.

Anniversary	Kick-out Requirement	FTSE 100 Index level
Year 1	100% of Initial Index Level	8000
Year 2	100% of Initial Index Level	8000
Year 3	100% of Initial Index Level	8000
Year 4	95% of Initial Index Level	7600
Year 5	90% of Initial Index Level	7200
Year 6 (Investment End Date)	85% of Initial Index Level	6800

In this example, you would get back less than you invested if the FTSE 100 Index closed below 5200 (65% of the Initial Index Level) on the Investment End Date.

The Index can fall as well as rise and past performance is not a reliable indicator of future returns. The Plan is subject to a maximum potential return which could be lower than if you invested directly in the shares of the companies which comprise the Index. Additionally, you will not receive dividend income from those companies.

Counterparty risk

The UK Step Down Kick-out Plan is a structured investment plan provided and administered by Walker Crips. The Counterparty for this Plan is HSBC Bank plc.

An investment in the Plan is an agreement with the Plan Manager, Walker Crips Structured Investments, to purchase on your behalf, securities which are specifically structured to match the investment features described in this brochure, and to hold and administer those securities during the Investment Term.

The type of securities issued for this Plan are called preference share-linked notes, similar to a corporate bond or other debt security. Effectively, this is a type of loan to HSBC Bank plc entitling you to the investment returns detailed within this brochure.

These securities will be issued by HSBC Bank plc. Therefore, repayment of your Initial Investment, and any potential return from the Plan is subject to the continued solvency of HSBC Bank plc.

In the event of the failure or insolvency of HSBC Bank plc, you could lose some or all of your Initial Investment and any potential return, regardless of the performance of any underlying Index.

As repayment of your Initial Investment and any potential return described in this brochure is subject to the continued solvency of HSBC Bank plc during the Investment Term, it is important to consider the creditworthiness of HSBC Bank plc.

Credit ratings are an important means of evaluating an institution's creditworthiness. Credit ratings are assigned by independent organisations known as credit rating agencies.

Standard & Poor's is one of the three main credit rating agencies and grades institutions on a scale from AAA (highest) to D (lowest).

At the time of publication of this brochure (6 January 2025), HSBC Bank plc was rated 'A+' by Standard & Poor's.

Institutions within the 'A' rating band are described by Standard & Poor's as having a strong capacity to meet their financial commitments, but are more susceptible to the adverse effects of changes in circumstances and economic conditions than those institutions rated 'AAA' or 'AA'.

A Standard & Poor's rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years).

The Standard & Poor's rating of HSBC Bank plc is currently qualified with a 'stable' outlook which means that the rating is unlikely to change in the short term.

Credit ratings can go up or down throughout the Investment Term in response to changes in the financial position of the Counterparty. It is possible that the quoted credit rating or outlook may have changed since the publication of this brochure. For current information on credit ratings, including ratings provided by the other main credit rating agencies, Moody's and Fitch Ratings, please visit our website at: www.wcgplc.co.uk/StructuredInvestments/CreditRatings

For more information on credit ratings or other methods of assessing the financial strength of a counterparty, please consult your financial adviser.

Important points and risks

Your Initial Investment is at risk and you could lose some or all of the amount invested. You should seek financial advice to ensure you understand the following risks associated with the Plan and to determine whether an investment in the Plan is suitable for your circumstances. The risks below are a summary of the main risks. Please refer to the Prospectus for the full risks associated with this investment.

Counterparty risk

- In the event that HSBC Bank plc fails or becomes insolvent you could lose some or all of your Initial Investment and any returns due to you.
- In the event of Counterparty or Issuer failure you will not have recourse to the Financial Services Compensation Scheme (FSCS). It is you, the investor, who faces these risks and not the Plan Manager, Walker Crips Structured Investments.

Market risk

- The Plan is designed to provide you with a potential return which is dependent on the performance of the FTSE 100 Index. A return on your Initial Investment is not guaranteed. In order to achieve the stated level of return your Initial Investment will be put at risk. If the Final Index Level is below 65% of its Initial Index Level, you will lose more than 35% of your Initial Investment and you will not receive a return from your investment in the Plan.
- The Plan is subject to a maximum potential return. The Plan does not invest directly in the shares of any of the FTSE 100 Index companies and you will not therefore receive dividend income from those companies. As such, the returns could be lower than if you invested directly in the shares of the companies of the underlying Index.
- The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. The UK Step Down Kick-out Plan gives you the potential to benefit from a defined return dependent on the performance of the FTSE 100 Index; however, any return you receive could be lower than you would have received in a deposit account.

Inflation risk

- Your investment in the Plan is not adjusted for inflation, therefore, where inflation is high over the Investment Term, the real value of your investment may be reduced.

Early withdrawal and liquidity risk

- The Plan is not designed to be bought and sold on a secondary market but is intended to be held for the full Investment Term. Whilst a secondary market exists, it is not guaranteed. Liquidity may therefore be limited and the ability to trade on a secondary market should not be relied upon when choosing to invest in the Plan;
- You should only invest in the Plan if you do not need access to your Initial Investment during the Investment Term. Early withdrawal may result in a reduction in the amount of your Initial Investment repaid to you and you may not receive any return on your Initial Investment.

Regulatory risk

- Under the EU Bank Recovery and Resolution Directive (BRRD), national supervisory bodies have certain powers to intervene with failing financial institutions which they determine could cause financial instability or public harm. If the Issuer or Counterparty becomes subject to this resolution, your investment may be early redeemed, cancelled or converted into equity amongst other measures which could adversely affect the value of these securities.

There are a number of ways you can invest in the Plan, some of the options may be more tax-efficient for you with careful planning.

Direct investment (individual or joint names)

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Capital Gains Tax under present legislation. This means that you may be able to use your annual Capital Gains Tax exemption to reduce or eliminate the tax charge on any returns from this Plan. You should be mindful where you may have realised other investment gains, as the exemption applies to all of your taxable gains over the whole tax year.

Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

2024/25 Stocks & Shares ISA investment

You can use your ISA allowance to invest from £10,000 to £20,000 for the 2024/25 tax year, provided that you have not already opened a Stocks & Shares ISA for the period 6 April 2024 to 5 April 2025.

2024/25 Stocks & Shares Junior ISA investment (JISA)

ISA and JISA transfers

You can transfer an existing Stocks & Shares ISA/ JISA or Cash ISA/ JISA, provided the total value of ISA transfers is at least £10,000, or £5,000 for the JISA. This will not affect your annual Stocks & Shares ISA or JISA allowance. The Plan is only available for Stocks & Shares ISA/ JISA subscription and any Cash ISAs/ JISAs transferred will lose their Cash ISA/ JISA status and will form part of your accumulated Stocks & Shares ISA/ JISA. There is no maximum limit for ISA or JISA transfers.

Other arrangements

How can I see a copy of the prospectus?

In addition to this brochure, further information is available in the prospectus which contains the full information and contractual terms for the securities. If you, or your adviser, would like to review the prospectus before investing, an electronic copy is available on request from Walker Crips Structured Investments.

How will I be kept informed of the progress of my investment?

When your application and payment is accepted, we will write to you with details of your Plan. We will send you quarterly statements until the end of the Investment Term so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880.

Can I change my mind?

Yes. When your application and payment is accepted, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Investment Start Date then you will receive your Initial Investment back in full. If we receive your cancellation notice after the Investment Start Date, then we will sell your holding and return the proceeds to you. In this situation you may get back less than you invested.

Can I withdraw my investment?

If your circumstances change and you need access to your money prior to the end of the Investment Term, you can withdraw all or part of your investment early. However, you should be aware that the ability to withdraw early may result in a reduction in the amount of your Initial Investment repaid to you (see 'Early withdrawal and liquidity risk' on page 9).

If you need to withdraw all or part of your Plan before the end of the Investment Term, we must receive your clear instruction in writing. We are unable to accept an instruction to withdraw less than £500 from the Plan. An administrative charge of £90 will be deducted for each early withdrawal instruction processed.

In order to withdraw all or part of your investment, we will need to sell the underlying securities of the Plan (or a proportion thereof) which are held by us on your behalf. The amount you will receive back will be determined by the Issuer. During the Investment Term the value of your investment may go up or down. Different factors, such as a fall in the level of the Index, or a rise in interest rates, can have a significant negative impact on the value during the lifetime of the Plan.

Frequently asked questions (continued)

If you hold your investment within an ISA account, and you withdraw from the Plan, please note that the proceeds will lose their ISA status if you instruct us to transfer the funds to your bank account. Alternatively, you can withdraw from the Plan and transfer the proceeds to another ISA manager, in which case, the tax benefits of the ISA will be retained.

Should you wish to transfer your ISA, you will need to contact your new ISA manager to arrange the transfer. Please note, we will deduct an administrative charge of £90 to sell your holding in the Plan and transfer your ISA, and you may also incur a charge from the new ISA manager.

What happens at the end of my investment?

After the Investment End Date (or the relevant Anniversary date if the Plan matures early), we will write to you outlining your options. Your maturity proceeds will be applied to your Walker Crips Account within 10-15 business days of the Investment End date, or relevant Anniversary Date, subject to timely receipt of the funds from the Issuer. Provided you have completed and returned the appropriate documentation, we will then proceed with your maturity instruction.

What happens if I die?

If you die during the Investment Term, the Plan can be closed (subject to the £90 early withdrawal administration charge) or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. We will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. Please note that early withdrawal from the Plan may result in a reduction in the amount of the Initial Investment repaid.

What fees are payable?

Your financial adviser will provide you with information about any fees that they charge. Adviser Charges can be settled directly with your financial adviser or, upon your written instruction within the Application Form, we can facilitate payment to your adviser by deducting the Adviser Charge from the funds you send to us and paying this amount to your financial adviser on your behalf.

Are Walker Crips charging me for this investment?

Our costs and charges for managing, marketing and administering the Plan have been factored into the structure of the Plan and the returns the Plan is designed to pay. These charges equate to 1.00% of your Initial Investment. No charges are deducted from your Initial Investment or from any potential returns you may receive from investment in the Plan, instead they are paid to us by HSBC Bank plc.

There will be no charges to withdraw cash balances by either standard electronic transfer (BACS) or by cheque. However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

You do not have the right to claim compensation against Walker Crips, or from the FSCS, in relation to poor investment performance of the underlying securities of the Plan.

In other circumstances where you may be entitled to make a valid claim against Walker Crips or your financial adviser and they are unable to meet their liabilities in full, the maximum compensation limit awarded by the FSCS for investments is currently £85,000 per person.

The Plan Manager's FCA registration number is 226344 and address is Old Change House, 128 Queen Victoria Street, London EC4V 4BJ.

3. ISA and JISA Accounts

a) You must subscribe to your ISA or a JISA Account with your own (or your spouse's) cash or by transfer of cash from an existing ISA account. Transfers of cash from existing ISA accounts will be arranged with the existing ISA manager(s) upon your written instruction to the Plan Manager. Once the cash from the existing ISA account(s) has been transferred, your ISA Account will be subject to these Terms and Conditions.

b) An ISA Account will be opened in your name only. A JISA will be opened in a Parent or Guardian's name on behalf of a child. You cannot invest in an ISA in joint names.

c) 'ISAs' can be either Cash (which includes Help to Buy ISAs), Stocks & Shares, Innovative Finance or Lifetime ISAs. This Plan is only eligible for Stocks & Shares ISA or JISA subscription. The Regulations provide that you may not subscribe more than the overall subscription limit in total to any combination of permitted ISAs or JISAs in the same tax year and that you may only subscribe to one Stocks & Shares ISA or JISA in any one tax year.

d) You may transfer a Cash ISA(s) into a Stocks & Shares ISA or JISA without affecting your annual Stocks & Shares ISA or JISA allowance. Cash ISAs transferred in this way will form part of your accumulated Stocks & Shares ISA or JISA.

e) You agree to promptly notify the Plan Manager of any change in address or in UK taxation status which may render you ineligible to subscribe further to your ISA or JISA. You agree to notify the Plan Manager immediately if you cease to be a UK resident for tax purposes, or if being a non-resident, you cease to qualify as a Crown servant, or spouse of a Crown servant.

f) The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the Regulations, an ISA or JISA has, or will, become void.

g) The Plan Manager will not accept any further amounts into an ISA or JISA Account if the Regulations no longer give you the right to invest in that ISA or JISA Account.

4. Cancellation

a) The Plan Manager will give you the right to cancel your Plan within 14 days of its acceptance of your Application Form and payment. You will be informed of your right to cancel in documents that the Plan Manager sends you upon acceptance of your subscription to invest. Alternatively, you can write to Walker Crips Structured Investments, Old Change House, 128 Queen Victoria Street, London, EC4V 4BJ, United Kingdom. If you do so, please provide your name and address and the account number with clear instructions to cancel your investment.

b) If the Plan Manager receives your cancellation notice after the Investment Start Date, the amount of your Initial Investment repaid to you will be adjusted to reflect the market value (i.e. of the Plan (if

applicable)). You may not get back the amount originally invested in the Plan.

c) Where you do not exercise your cancellation rights, or you do not exercise them within the period allowed for, the Plan will continue in line with the Terms and Conditions.

5. Client categorisation

a) We will classify you as a retail client as defined in the FCA Handbook, unless we confirm otherwise to you in writing.

b) As an FCA regulated firm, the Plan Manager is bound by the FCA's Principles for Business and notably Principle 12, the Consumer Duty, which obliges the Plan Manager to act to deliver good outcomes for retail customers. The Plan Manager will act in accordance with the Consumer Duty in its dealings with you.

6. Charges

a) The Plan Manager's charges for servicing the Plan are set out on p14 and are paid by the Counterparty to the Plan Manager on the Investment Start Date. These charges equate to a percentage of your Initial Investment but they do not reduce the amount of your Initial Investment invested in the Plan. Any returns you receive from the plan are calculated on your Initial Investment and are paid to you once the Plan has matured. The Plan Manager will not deduct any fees from your investment during the Investment Term or on the Investment End Date.

b) If you exercise your cancellation rights, you will not incur any charges. Where you exercise your cancellation rights after the Investment Start Date, you will not incur any charges but the amount of your Initial Investment repaid to you will be adjusted to reflect the current value of the Plan as determined by the Counterparty.

c) If you withdraw your investment from the Plan after the cancellation period but before the Plan matures, a charge of £90 will be deducted from the proceeds of the sale of your investment in the Plan, which is representative of the costs that the Plan Manager will incur in your early withdrawal.

d) It is possible that you may be liable to pay additional taxes or costs that are not paid, nor imposed, by us, such as any additional fees charged by your financial adviser, platform or other custodian.

e) Where we receive your written request for us to facilitate payment of your Adviser Charge to your financial adviser, you acknowledge and agree that it is a facilitation service only; the Plan Manager has no influence over, nor any responsibility for, the advice provided, or any ongoing obligation with regards to future charges payable to your financial adviser. You acknowledge that any rebate of your adviser charge for whatsoever reason is a matter between you and your adviser directly and will not involve the Plan Manager, nor will the Plan Manager facilitate such rebate.

f) The Adviser Charge will be deducted from the funds you send to us on application to invest in the Plan. The balance will be your Initial Investment.

7. Liability

a) The Plan Manager will maintain insurance cover to cover you for, amongst other things, misuse of funds or securities by any employee of the Plan Manager.

b) The Plan Manager may employ agents (or appoint delegates) in connection with the services it is to provide and will satisfy itself that any person to whom it delegates any of its functions or responsibilities is competent to carry out those functions or responsibilities.

c) Your entitlement under the Plan is dependent on the exact terms of the Plan. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Plan, including (without limitation) in circumstances where the Counterparty is in default. No provision in these Terms and Conditions will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FCA Rules.

d) The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager will not be liable to you:

i) if the Counterparty fails or becomes insolvent;

- ii) for any default by any depository with whom your investment is deposited, other than the Nominee;
 - iii) for any adjustments or terminations provided for in the Plan;
 - iv) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - v) for the acts or omissions of any professional adviser who arranged your investment in the Plan.
- e) You agree that:
- i) You are not relying on any communication by the Counterparty as investment, legal, regulatory, accounting or tax advice or as a recommendation to make such investment; and
 - ii) The Counterparty does not accept any responsibility to you for the appropriateness of the Plan or for the performance of the Plan and does not give any assurance as to the expected return of the Plan and has not approved nor endorsed the Plan.

8. Information Disclosure

- a) The Plan Manager is responsible for compliance with the UK anti-money laundering regulations and the Rules. You may be asked for proof of identity and address, source of funds, and evidence of banking details when investing or on early withdrawal or maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.
- b) You shall provide to the Plan Manager such certificates and other information as the Plan Manager may require to enable the Plan Manager or Walker Crips to comply with its obligations under such current or future automatic exchange of tax information regimes and other tax disclosure requirements to which the Plan Manager or Walker Crips may be subject from time to time. You consent to the Plan Manager providing such certificates and other information to the Counterparty on their request to allow them to comply with such regimes and requirements. You further consent to the Plan Manager and the Counterparty retaining the certificates and other information and disclosing such certificates and information to any tax authority to the extent required by those regimes and requirements.
- c) You must tell the Plan Manager in writing as soon as possible if you change your personal details, notably if you change your name, address or country of residence.

9. Client money

- a) This clause 9 applies in relation to cash subscriptions or proceeds received by the Plan Manager on your behalf before investing into your Plan or after the Plan matures.
- b) Subscriptions received before the Investment Start Date, and proceeds returned following maturity of the Plan, will be held by the Plan Manager in a pooled client money account with an FCA authorised and regulated bank.
- c) This means that your funds are protected in accordance with the FCA client money rules in the FCA Handbook, meaning that money belonging to clients is kept separate from monies belonging to Walker Crips Investment Management Limited. Therefore, in the event of Walker Crips Investment Management Limited's insolvency or default, there is no right of offset between credit balances held on behalf of clients and any indebtedness of Walker Crips Investment Management Limited. In other words, Walker Crips Investment Management Limited may not use your client money to satisfy its own debts. Any shortfall in client money may be shared equally among all clients, however, eligible claimants may benefit from the protection of the Financial Services Compensation Scheme (FSCS) in relation to the first £85,000 of a claim. In the event of the bank's insolvency or default, any shortfall in client money may be shared equally between all clients. However, eligible claimants may benefit from the protection of the FSCS in relation to the first £85,000 of a claim.
- d) Interest may be payable on funds held prior to the Investment Start Date or following maturity of the Plan. For current interest rates, please visit our website on www.wcgpplc.co.uk/StructuredInvestments/StructuredInvestmentsInvestors

- e) The Plan Manager shall continue to treat allocated but unclaimed Plan maturity funds as client money, in accordance with the FCA client money rules, for a period of at least six years from the end of the Plan. Interest may be accrued on allocated but unclaimed funds during this period.

10. Investment in the Plan

- a) This clause 10 describes how your investment in the Plan will be held.
- b) Your Initial Investment will be used to purchase securities for your Account which are structured to match the investment features described in this brochure on the Investment Start Date. Your money will be held by the Counterparty until the Investment End Date, unless you cancel your investment in the Plan or withdraw all of your investment before the Investment End Date in accordance with these Terms and Conditions.
- c) Your Plan will mature on (on any of the Anniversary Dates or on) the Investment End Date. The Plan Manager will contact you after maturity to inform you of any action required by you. The Plan Manager may, at its discretion, pay maturity proceeds to you by transferring the funds into the bank or building society account from where the Initial Investment originated. In this event, you will be informed in writing by the Plan Manager.
- d) Investments held in the name of the Nominee will not be lent to any third party and money will not be borrowed on your behalf against the security of your investment. Your investment in the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in your investment in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.
- e) Your investment in the Plan will be recorded and separately identified by the Plan Manager. However, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Plan may be shared pro rata among all investors in the Plan.

11. Information to clients

12. Account closure / termination

- a) The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if, in its opinion, it is impossible to administer the Plan or that Account in accordance with the Rules or Regulations or if you are in breach of the Rules or Regulations.
- b) The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
- c) The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due to it and you fail to remedy this non-payment within 7 days of the Plan Manager reminding you that a payment is due.
- d) You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you would like the proceeds from the disposal of your investment to be paid directly to you or to be transferred to another Plan Manager. Upon acceptance of your clear instruction we will sell your holding. There is a restricted secondary market (i.e. limited ability to find another person to purchase the rights in your Plan) and you may get back less than you invested in the Plan. An early withdrawal fee of £90 will be charged, which is representative of the costs that the Plan Manager will incur in your early withdrawal.
- e) Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will account to you for the proceeds of sale of your investment in the Plan, save that it will be entitled to retain any funds

required to satisfy any outstanding amounts due to it by you.

13. Taxation

a) You have sole responsibility for the management of your tax and legal affairs, including all applicable tax filings and payments and for complying with all applicable laws and regulations. c) Examples of adjustments that may need to be made include, but are not limited to, postponing taking the level of the Index on the date which such event occurs, using an alternative method of calculating or estimating the value of the Index or selecting an appropriate substitute index.
