

# UK Annual Kick-out Deposit Plan (SAN047)

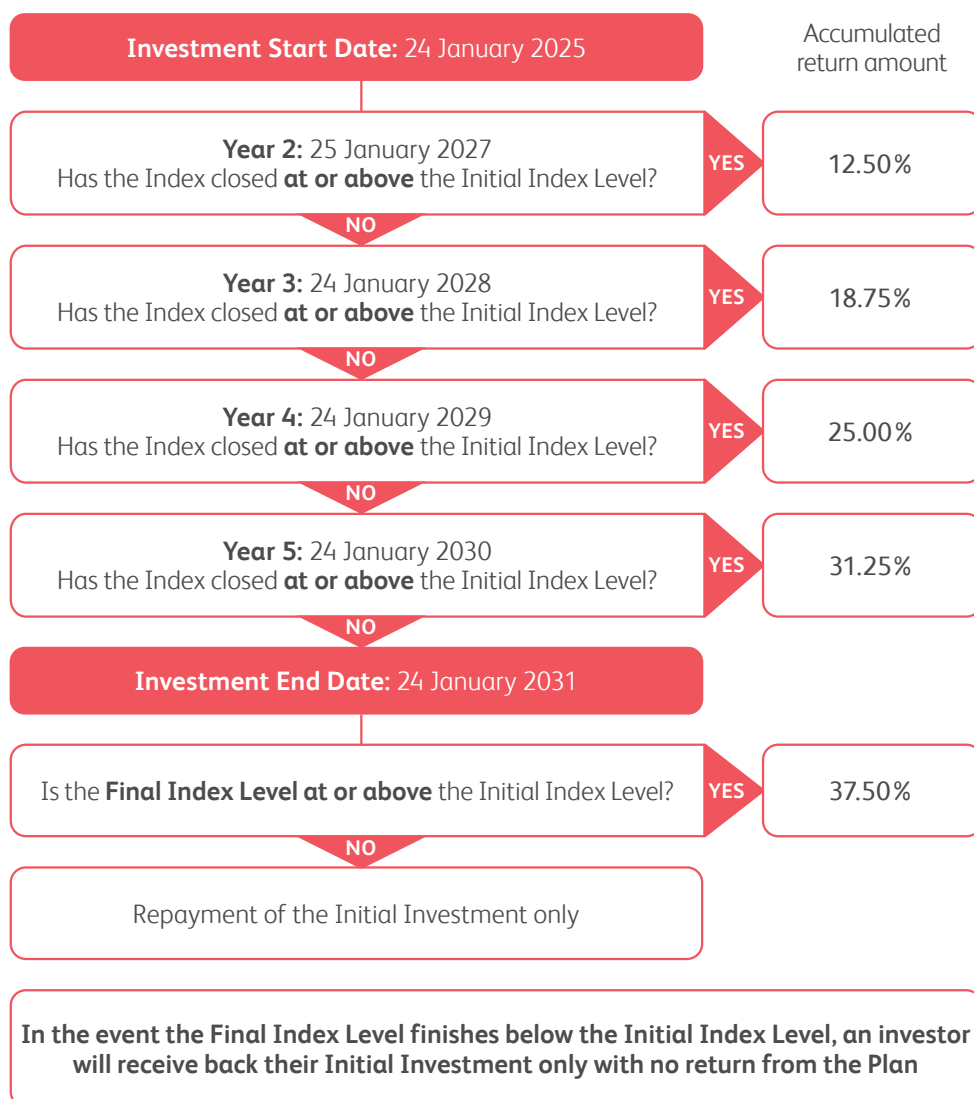

**WALKERCRIPS**  
Structured Investments

The Plan provides the potential to receive an accumulated return of 6.25% p.a. depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the FTSE 100 Index closes **at or above the Initial Index Level**, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 6.25% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index closes **below the Initial Index Level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

**Where the Plan has not matured early and runs to the full six year term, an investor will not receive any return on their Initial Investment if the Final Index Level finishes below the Initial Index Level on the Investment End Date.**
