

UK Step Down Kick-out Plan (MS145)

WALKERCRIPS
Structured Investments

The Plan provides the potential to receive an accumulated return of 7.50% p.a. depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the FTSE 100 Index closes **at or above the required kick-out level**, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 7.50% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index closes **below the required kick-out level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Where the Plan has not matured early and runs to the full seven year term, investors will lose a significant proportion of their Initial Investment if the Final Index Level is below 65% of its Initial Index Level on the Investment End Date.
