

# UK 95% Annual Kick-out Deposit Plan (SAN108)

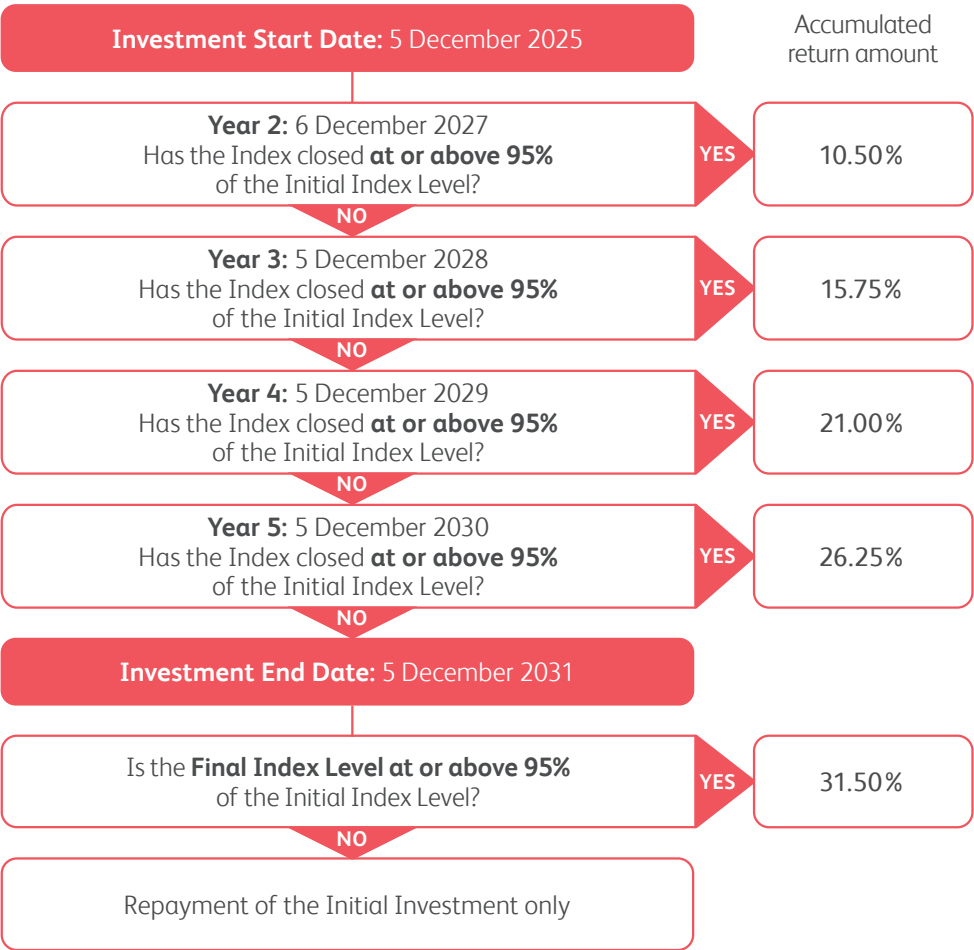

The Plan provides the potential to receive an accumulated return of 5.25% p.a. depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the FTSE 100 Index closes **at or above 95% of the Initial Index Level**, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 5.25% for each year that has elapsed since the Investment Start Date.

If, however, the FTSE 100 Index closes **below 95% of the Initial Index Level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

**Where the Plan has not matured early and runs to the full six year term, an investor will not receive any return on their Initial Investment if the Final Index Level finishes below 95% of the Initial Index Level on the Investment End Date.**

**In the event the Final Index Level finishes below 95% of the Initial Index Level, an investor will receive back their Initial Investment only with no return from the Plan**

An investor could lose some or all of their Initial Investment if Santander UK plc were to fail or become insolvent during the Investment Term, and the amount exceeds the Financial Services Compensation Scheme (FSCS) limit.
