Callable Fixed Return Plan (FXC002)

WALKERCRIPS Alternative Edge

The Plan provides the potential to receive an accumulated return of 7.60% p.a. for each year that has elapsed since the Investment Start Date.

If, on an Anniversary Date, the Counterparty wishes to Call the Plan early, the Plan will end and the Initial Investment will be repaid, plus an accumulated return of 7.60% for each year that has elapsed since the Investment Start Date.

Where the Plan has not matured early and runs to the full ten year term, an investor should expect to receive back their Initial Investment plus 76% return, subject to Counterparty Risk.
