

Defensive Annual Growth Plan Issue Seven (Kick-out)

Potential Return at Maturity

If, after six years (23 March 2020), the FTSE™ 100 Index closes at or above **75%** of its Initial Index Level, you will receive 100% of your Initial Capital, plus additional capital growth of 39%.

Potential Early Maturity after 2, 3, 4 or 5 Years

If, after two, three, four or five years (21 March 2016, 21 March 2017, 21 March 2018 or 21 March 2019) the FTSE™ 100 has closed at or above its Initial Index Level, the Plan will mature early and you will receive 100% of your Initial Capital, plus additional capital growth of 13%, 19.5%, 26% or 32.5% respectively.

Final Redemption

If the Plan has not matured early, and after six years the Final Index Level is at or above 75% of its Initial Index Level, the Plan will provide 39% capital growth.

Where the Final Index Level is below 75% of its Initial Index Level, but at or above 50% of the Initial Index Level, you will receive 100% of your Initial Capital only, and no capital growth will have been achieved.

If, however, the Final Index Level closes below **50%** of its Initial Index Level on the Investment End Date (23 March 2020), there will be a capital reduction, and no growth will have been achieved.

This capital reduction (if any), will be determined by the performance of the FTSE™ 100 Index. Capital will be reduced by 1% for every 1% the Final Index Level is below its Initial Index Level (and part thereof).

Please note that where an adviser charge has been deducted, the returns quoted on this summary refer to the Net Investment Amount after the deduction of charges.

Investment Start Date
21 March 2014

Investment Term
Six years

Investment End Date
23 March 2020
