

Defensive Dual Index Plan (FTSE & EURO STOXX) Issue Two

Potential Return at Maturity

If, after six years (2nd August 2019), the FTSE™ 100 Index and the EURO STOXX 50® Index close at or above **75%** of their Initial Index Levels, you will receive 100% of your Initial Capital, plus additional capital growth of 60%.

Potential Early Maturity after 1, 2, 3, 4 or 5 Years

If, after one, two, three, four or five years (4th August 2014, 3rd August 2015, 2nd August 2016, 2nd August 2017, 2nd August 2018) the FTSE™ 100 Index and the EURO STOXX 50® Index have closed at or above their Initial Index Levels, the Plan will mature early and you will receive 100% of your Initial Capital, plus additional capital growth of 10% for each year the plan has been in force.

Final Redemption

If the Plan has not matured early, and after six years both Indices are at or above 75% of their respective Initial Index Levels, the Plan will provide 60% capital growth.

Where one or both Final Index Levels are below 75% of their Initial Index Levels **but** at or above 50% of their Initial Index Levels, you will receive 100% of your Initial Capital only, and no capital growth will have been achieved.

If, however, one or both of the Indices close below 50% of their respective Initial Index Levels on the Investment End Date (2nd August 2019), there will be a capital reduction, and no growth will have been achieved.

This capital reduction (if any), will be determined by the worst performing Final Index Level. Capital will be reduced by 1% for every 1% the worst performing Final Index Level is below its Initial Index Level (and part thereof).

Please note that where an adviser charge has been deducted, the returns quoted on this summary refer to the Net Investment.

Investment Start Date

2nd August 2013

Investment Term

Six years

Investment End Date

2nd August 2019

Anniversary Dates

4th August 2014

3rd August 2015

2nd August 2016
