When you invest in the Defensive Dual Index Plan, you may receive capital growth of 9.5% for each year of your investment depending on the performance of the FTSE 100 Index and the EURO STOXX 50® Index.

Your investment has the potential to mature early (kick-out) and pay back your Initial Capital plus a defined capital growth amount on any anniversary date from the second year onwards.

If, on a relevant anniversary date, the FTSE 100 Index and the EURO STOXX 50® Index are both at or above their Initial Index Levels, your investment will mature early and you will receive a fixed capital growth payment of 9.5% for each year the Plan has been in force.

The Plan includes a defensive feature whereby the required kick-out level reduces to 75% on the Investment End Date, thereby increasing the potential of a capital growth payment at the end of the Investment Term.

Where the performance of the FTSE 100 Index and EURO STOXX 50® Index has not activated a fixed capital growth payment, and the Plan runs to the full six-year term, there will be a reduction in your capital returned if the Closing Level of either Index is below 60% of its Initial Index Level on the Investment End Date.

Your money will be invested in securities issued by Abbey National Treasury Services plc, a wholly owned subsidiary of Santander UK plc. If Santander UK plc were to fail, e.g. become insolvent, you could lose some or all of your investment and any return that may be due.

**Potential capital growth of 9.5% for each year of your investment**

# Your capital growth payments and the return of your Capital are dependent on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index.

Your investment has the potential to mature early (kick-out) and pay back your Initial Capital plus a defined capital growth amount on any anniversary date from the second year onwards.

Where the Plan has not closed early and runs to maturity, the required kick-out level reduces to 75% of the Initial Index Levels on the Investment End Date, thereby increasing the potential of a 57% capital growth payment at the end of the investment.

There will be a reduction in your Capital returned if the Closing Level of either Index on the Investment End Date is below 60% of its Initial Index Level.

The Plan is subject to a maximum capital growth and therefore the return you receive could be lower than if you invested directly in the shares of the companies which comprise the FTSE 100 Index or EURO STOXX 50<sup>®</sup> Index. Additionally, you will not receive dividends from those companies.

If the Plan has not matured early, the risk to your Capital at the end of the term depends on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index.

Where the Plan has not matured early and runs to the full six-year term, the return of your Initial Capital and any potential capital growth will depend on the performance of both Indices between their Initial Index Levels and their Final Index Levels.

**There are three possible scenarios on the Investment End Date:**

If both Final Index Levels are **at or above 75%** of their Initial Index Levels, you will receive 100% of your Initial Capital back plus capital growth of 57%.

If one or both Final Index Levels are **below 75%** of their Initial Index Level, **but both are at or above 60%** of their Initial Index Levels, you will receive 100% of your Initial Capital with no reduction but no capital growth.

If one or both Final Index Levels are **below 60%** of their Initial Index Level, the Capital that you receive back will be reduced by 1% for every 1% the Final Index Level of the worst performing Index is below its respective Initial Index Level, or fraction thereof.

The table below illustrates how the return of your Initial Capital and capital growth will be affected by the Final Index Level of the worst performing Index on 6 April 2021.

Where is the worst performing Final Index Level in relation to its Initial Index Level? %	Capital growth %	Capital return %	Capital reduction %
+20	57	100	0
+10	57	100	0
No change	57	100	0
-10	57	100	0
-25	57	100	0
-26	0	100	0
-40	0	100	0
-41	0	59	41
-55	0	45	55
-75	0	25	75

**Irrespective of the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index, your Initial Capital and the potential capital growth from the investment are at risk if the Counterparty, Santander UK plc, were to fail, e.g. become insolvent.**

As the performance of the investment is dependent on the FTSE 100 Index and the EURO STOXX 50® Index, it is important to understand what they are and how they could affect your money.

The FTSE 100 Index is a share index which represents the performance of 100 of the UK's largest companies listed on the London Stock Exchange. It includes many household names such as GlaxoSmithKline, HSBC and Vodafone.

The EURO STOXX 50® Index is a share index representing the performance of 50 industry leading stocks from the Eurozone. The index includes many household names such as BMW, L'Oreal and Unilever.

The following graphs show the performance of the FTSE 100 Index and the EURO STOXX 50® Index over the past ten years.

**FTSE 100 Index**

**EURO STOXX 50® Index**

Source: Bloomberg

Based on **an example**, if the Initial Index Level for the FTSE 100 Index was 6800 and the Initial Index Level for the EURO STOXX 50® Index was 3400 the corresponding kick-out levels required would be as follows:

Anniversary	Second	Third	Fourth	Fifth	Sixth
<b>Required kick-out level</b>	100%	100%	100%	100%	75%
<b>FTSE 100 Index example</b>	6800	6800	6800	6800	5100
<b>EURO STOXX 50® Index example</b>	3400	3400	3400	3400	2550

Capital would be at risk if the FTSE 100 Index closed below 4080 or the EURO STOXX 50® Index closed below 2040 (60% of the Initial Index Levels) on the Investment End Date.

Please note this is an example provided for illustrative purposes only. The Initial Index Levels for the Plan will be the Closing Levels of each Index on 2 April 2015.

It is important you understand that the FTSE 100 Index and the EURO STOXX 50® Index are price indices which mean that they are based solely on share prices and do not take into account returns from dividends. Indices can fall as well as rise and past performance is not a reliable indicator of future performance. The use of two indices, as opposed to one index, may increase the risk of capital loss.

The Defensive Dual Index Plan is a structured investment plan provided and administered by Walker Crips. The investments underlying the Plan are securities issued by Abbey National Treasury Services plc, a wholly owned subsidiary of Santander UK plc.

---

An investment in the Plan is an agreement with the Plan Manager, Walker Crips Structured Investments, to purchase an investment on your behalf and hold and administer that investment on your behalf.

As the Plan Manager, Walker Crips will use your money to acquire, on your behalf, securities which are specifically structured to match the investment objectives described in this brochure.

These securities are a financial obligation from Abbey National Treasury Services plc that entitles you to the performance specified in the terms of this Plan. Santander UK plc guarantee the securities issued by Abbey National Treasury Services plc.

Therefore, the return of your Capital and the capital growth payments as described in this brochure are subject to the continued solvency of the Counterparty, Santander UK plc. In the event of the insolvency of Santander UK plc, investors could lose all or part of their investment and any potential capital growth regardless of the performance of the underlying Index.

Santander UK plc has been rated 'A' by Standard & Poor's, as at the time of publication. Standard & Poor's is an independent credit rating agency and uses a scale to denote creditworthiness ranging from 'AAA' (highest) to 'D' (lowest). Issuers within the 'A' rating band are described by Standard & Poor's as having strong capacity to meet their financial commitments but are more susceptible to the adverse effects of changes in circumstances and economic conditions than those issuers rated 'AAA' or 'AA'.

The Standard & Poor's rating is currently qualified with a 'negative' outlook which means that a rating may be lowered. A Standard & Poor's rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions.

For more information on credit ratings or other methods of assessing the strength of an issuer, please consult your financial adviser.

You should consider these **important points and risks** and consult a financial adviser on the suitability of the Defensive Dual Index Plan for you and your individual situation. This brochure does not constitute investment advice.

---

**The Plan MAY be suitable for you if:**

You can afford to lose some or all of your Capital.

---

You will not need access to your Capital for six years.

---

You would like to potentially receive growth from your Capital.

---

You do not need income from your Capital.

---

You want the potential for a defined return.

---

You have a minimum of £10,000 to invest.

---

You have a positive view of the FTSE 100 Index and the EURO STOXX 50® Index performance over the next six years.

---

You want your returns linked to stock market performance.

---

**The Plan MAY NOT be suitable for you if:**

You cannot afford to accept any risk to your Capital.

---

You do not have readily accessible spare cash for emergencies.

---

You need income from your Capital over the next six years.

---

You may need access to your Capital before the Investment End Date in six years' time.

---

You want to add to your investment from time to time or at regular intervals.

---

You do not want your returns linked to stock market performance.

---

**Your Capital is at risk and you could lose some or all of your Capital.** Unless you understand these risks and are sure of the suitability of this investment for you, then you should take financial advice.

You should only invest in this Plan if you do not need access to your money for the full Investment Term of six years. Early withdrawal may result in a loss of your Capital.

The Plan is designed to provide you with the potential for a fixed level of return which is dependent on the performance of the FTSE 100 Index and the EURO STOXX 50® Index. In order to achieve this level of return, your Capital will be put at risk. If one or both Indices have fallen below 60% of their Initial Index Levels on the Investment End Date you will lose some or all of your Initial Capital.

The Plan is subject to maximum growth potential and does not invest directly in the shares of any FTSE 100 Index or EURO STOXX 50® Index companies and therefore does not receive dividends from those companies; as such the returns could be lower than if you invested directly in the shares of the Indices.

If Santander UK plc were to fail (e.g. become insolvent), you could lose some or all of your investment. As with all similar structured investments **in the event of counterparty insolvency you will not have recourse to the Financial Services Compensation Scheme**. As the investor, it is you who faces these risks rather than the Plan Manager, Walker Crips Structured Investments.

The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. The Plan gives you the potential to benefit from defined returns linked to the FTSE 100 Index and the EURO STOXX 50® Index; however your total return could be lower than you would have received in a deposit account.

There are a number of ways you can invest in the Plan, some of the options may be more tax efficient for you with careful planning. You should consult your financial or tax adviser for further details of your individual tax position.

---

#### **Direct investment**

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Capital Gains Tax under present legislation. This means that you may be able to use your annual Capital Gains Tax exemption to reduce or eliminate the tax charge on any returns from this Plan. You should be mindful where you may have realised other investment gains, as the exemption applies to all of your taxable gains over the whole tax year.

#### **Pension investment**

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

#### **2014/15 Stocks & Shares ISA investment**

From 1 July 2014 the overall ISA subscription limit for 2014/15 increased from £11,880 to £15,000. You can therefore use your ISA allowance to invest from £10,000 to £15,000 into this Plan for the 2014/15 tax year, provided that you have not already opened a Stocks & Shares ISA for the period 6 April 2014 to 5 April 2015.

#### **Other arrangements**

The Plan is also eligible for most trust, corporate and charity investment. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

**All information on taxation in this brochure is based on Walker Crips' understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances. Please note that Walker Crips does not provide tax advice and you should consult your own advisers before you invest.**

## Frequently asked questions

### **Who is eligible to invest?**

Anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes may invest in the Plan. There is no upper age limit. Direct investments may be in joint names. The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the terms of the entity permit investments of this type.

### **How can I see a copy of the prospectus?**

In addition to this brochure, further information is available in the Prospectus which contains the full information and contractual terms for the securities. If you, or your adviser, would like to review the Prospectus before investing, an electronic copy is available on request from Walker Crips Structured Investments.

### **How will I be kept informed of the progress of my investment?**

When your application and payment are received, we will write to you with details of your Plan. We will send you statements twice a year until the Investment End Date so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880.

### **Can I change my mind?**

Yes. When your Application Form is received, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before we have purchased any securities on your behalf, then you will receive your initial investment back in full without any interest added. If we receive your cancellation notice after we have purchased securities on your behalf, then we will sell your holding and return the proceeds to you. You may get back less than you invested.

### **Can I transfer my investments?**

It may be possible to transfer your Investments to another plan manager or custodian. Should you wish to request a transfer you should ensure that the plan manager or custodian accepts transfers of this type. You may be charged by the new plan manager or custodian.

### **Can I withdraw my money?**

If your circumstances were to change and you needed access to your money, you can close your Plan early. However, early encashment may result in a loss of Capital. If you need to close your Plan before the Investment End Date, you can instruct us to sell your holding. We would need to receive any such instruction in writing in order to arrange for the sale to be made. You can choose to withdraw your investment entirely, or in part. The minimum order we will accept to withdraw from your Investment is £500. An early withdrawal administration charge of £90 will be deducted should you close your Plan, or part of your Plan, early.

In order to sell your holding in the Plan, we will need to sell the underlying securities of the Plan which are held on your behalf. The amount you will receive back will be determined by the market value of these underlying securities. During the investment term the value of the underlying securities may go up or down. Different factors, such as a fall in the level of the underlying index (or indices), or a rise in interest rates, can have a significantly negative impact on their value.

### **What happens at the end of my investment?**

Shortly before the Investment End Date, we will write to you regarding your options. You will normally receive financial settlement within 10 business days of the Plan maturing, provided that you complete and return the relevant documentation. Provision of proceeds from the Plan are dependent upon the Plan Manager's timely receipt of maturity proceeds from the Issuer. It may be possible to transfer the proceeds of the Plan into a new investment.

### **What happens if I die?**

If you die before the Investment End Date, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. There will be a charge levied for valuations and probate, see page 12.

### What fees are payable?

If you have a financial adviser, they will give you information about any fees that they charge. Those fees can either be settled directly with your adviser or we can deduct the fee from the amount you invest and pay this amount to your adviser.

### Are Walker Crips charging me for this investment?

The costs of setting up and administering your Plan have been allowed for in the calculation of returns the Plan is designed to pay. These charges are not expected to exceed 1.5% of your Initial Capital.

There will be no charges to transfer cash proceeds from an investment at maturity. However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

Instance	Charge
If you wish to sell your holding and encash your Plan prior to maturity.	£90.00
If you wish to transfer your ISA holding to another ISA manager prior to maturity.	£90.00
If we are requested to value your holding for Probate.	£30.00 + VAT per holding (maximum £150.00)
If you require any proceeds to be forwarded by same day transfer. (CHAPS)	£15.00

Please note we do not make any additional charges to transfer your cash by either standard electronic transfer (BACS) or by cheque.

### How do I make a complaint?

If you wish to complain about any aspect of the service you have received from us, you may do so in writing to: Compliance Department, Walker Crips Stockbrokers Ltd, Finsbury Tower, 103–105 Bunhill Row, London EC1Y 8LZ. Alternatively, you can call 020 3100 8880.

If you are not satisfied with the way Walker Crips handle your complaint, you may be entitled to take your complaint to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR, (tel.) 0800 023 4567 or 0300 123 9123. Please note that making a complaint will not prejudice your right to take legal proceedings.

### Are there compensation arrangements?

Before the Investment Start Date, and when the Plan matures, your cash will be held in a client money account with an FCA regulated bank. This cash is protected in accordance with the Financial Conduct Authority's client money regulations. In the event that Walker Crips Stockbrokers Limited (the Plan Manager) becomes insolvent, your cash cannot be accessed by our creditors or the bank itself. If the bank holding your cash becomes insolvent, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). The maximum compensation limit for cash accounts is currently £85,000 per person, per authorised institution. You should be aware, though, that all of your balances with any particular bank, including your personal accounts, would be aggregated in the event that the compensation scheme was triggered.

You do not have the right to claim compensation against Walker Crips, or from the FSCS, in relation to poor investment performance of the underlying securities of the Plan. Equally, if the Counterparty becomes insolvent, you will not be entitled to claim compensation. However, in other circumstances where you may be entitled to make a valid claim against the Plan Manager or your financial adviser and they are unable to meet their liabilities in full, the maximum compensation limit for investments is currently £50,000 per person.

For further information about the scheme contact the Financial Services Compensation Scheme, 10<sup>th</sup> Floor, Beaufort House, 15 St. Botolph Street, London EC3A 7QU or visit the FSCS website at [www.fscs.org.uk](http://www.fscs.org.uk).

Therefore, in the event of insolvency or default by the bank, any shortfall in client money may be shared pro rata among all clients.

9. Early investment interest will be paid on subscriptions received prior to the closing date. Interest will begin to accrue once your cheque clears at the prevailing Walker Crips Structured Investments interest rate, up to and including the Investment Start Date. The amount of interest will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1 in any quarter. Interest will be credited gross, however, you may be liable for tax, depending on your personal circumstances.
10. Other cash balances held in your Plan will earn interest at the prevailing Walker Crips Structured Investments rate. The current Walker Crips Structured Investments interest rate scales are available on request. No interest will be credited if the interest amount is less than £1 in any quarter. The interest rate payable will not be lower than 0% but may be 0%.
11. Your investment in the Plan includes an agreement to purchase Investments for your Account. These Investments are securities, which have been structured with a view to meeting the Investment Objective of the Plan. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.
12. The Investments in your Plan will be exercised or mature on the Maturity Date. The Investments are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with the Investment Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the Initial Capital investment originated. Should this occur, you will be informed in writing by the Plan Manager.
13. For UK residents, under current legislation, the proceeds of an ISA Account will not be subject to either UK Income Tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. Where Investments are held through a Direct Account, you may be subject, depending on your personal circumstances, to UK tax on any income received or any capital gain arising on disposal. These statements are based on current legislation, regulations and practice, all of which may change.
14. The Principles for Businesses of our regulator, the FCA, say that a firm must manage conflicts of interest fairly, both between itself and its customers and between one customer and another. Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.
15. Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
16. Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Plan.

17. The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, willful default or fraud on the part of the Plan Manager or the Nominee.
18. At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FCA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.
19. The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your Account.
20. The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the negligence or misconduct of any such agent or delegate, except where it has been negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FCA Handbook, the Plan Manager may be subject.
21. The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the FCA Handbook or Regulations or if you are in breach of the Regulations.
22. The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
23. The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions.
24. You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or to be transferred to another plan manager. The Dealing Date will be immediately after we have received and processed your instruction. If a Dealing Date is not a Scheduled Trading Day, we will sell your holding on the following day which is a Scheduled Trading Day. There will be a restricted market in the sale of Investments. Early encashment may result in a loss of Capital. An early withdrawal fee of £90 will be charged.
25. Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.
26. On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees. A maximum charge of £150 will be levied for valuations for probate.
27. The returns which you are due to receive in accordance with the investment objective are net of all anticipated charges & expenses. The charges exclude any such tax or charges for taxation charges, and any fees agreed with your adviser to be deducted from your Initial Capital. The total charges for this product are taken on the Investment Start Date, although if the Plan Manager has to buy further investments to meet additional demand the charges may vary. This would not affect the returns described in this brochure. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.
28. The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting the Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that the Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Counterparty is in default. Investors needing a fuller understanding of the detailed risks under the Investments are referred to the Prospectus for the securities (a copy of which shall be made available upon request from the Counterparty or the Plan Manager). No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FCA Rules.
29. The Plan Manager may vary these Terms by giving you reasonable written notice:
  - a) to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FCA Rules (or the way they are applied);
  - b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
  - c) in order to administer your Plan more effectively, or to introduce additional facilities or options within your Plan.

The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.
30. Notices will be duly given by the Plan Manager and sent to the last address notified to the Plan Manager by the Investor.
31. The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:
  - a) for any default by the Issuer,
  - b) for any default by any securities depository with whom your Investments are deposited;
  - c) for any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or willful default by the Plan Manager or any Associated Company;
  - d) for any adjustments or terminations provided for in the Terms of the Investments as described in these Terms & Conditions.
  - e) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
  - f) for the acts or omissions of any professional adviser who arranged your investment in a Plan.
32. If a market disruption event, Extraordinary Event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Investments in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner. This may include termination of the Investments.
 

Market disruption events include, but are not limited to, the calculation or publication of the Index level(s) by the relevant Index Sponsor on a Scheduled Trading Day being disrupted, altered or delayed.

Extraordinary Events include, but are not limited to, a fundamental change to the method of calculation of the Index or Indices, a relevant Index not being published for 30 consecutive days, or the announcement that the publication of a relevant Index is to cease.

Examples of adjustments that may need to be made include, but are not limited to: postponing taking the level of a relevant Index on the date which such event occurs, using a reasonable alternative method of calculating or estimating the value of a relevant Index or selecting an appropriate substitute index.

33. In accordance with Data Protection legislation we will handle all information we obtain about you in the course of providing our services, lawfully and fairly in accordance with our position as a data controller. You agree that we may disclose this information solely to either other data controller entities within the group (and our agents provided they have similar obligations in respect of data processing) or, and without reference to you, to other financial services institutions seeking to verify your identity for anti-money laundering purposes.

You agree that we may, as we consider necessary, make enquiries, obtain references and undertake electronic verification checks on any data you provide to us. We may record the results and use the information obtained to help us comply with UK regulations on identifying clients, reporting fraud and market abuse or to report other suspected breaches of UK financial services legislation.

34. You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Direct Account and its investments which HM Revenue & Customs may reasonably request at any time.

35. At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment account for more than six years being released and no longer treated as client money in accordance with the client money regulations of the FCA Handbook.

36. The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.

37. For your security and for training and monitoring purposes telephone conversations may be recorded.

38. The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with the FCA Handbook, for a period of six years. (Interest will not be paid on such funds). The Investor consents to any money held in a client account for more than six years being released and no longer treated as client money in accordance with the client money regulations of the FCA Handbook.

39. In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.

40. Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.

41. These Terms and Conditions shall be governed by English Law and will become effective on acceptance by the Plan Manager of your signed application form. The Plan Manager will write and speak to you in English throughout the duration of your investments.

42. The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.

43. If you make a valid claim against the Plan Manager or your Financial Adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered, the maximum compensation is £50,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FCA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.

44. Any complaint about any aspect of the service received should be made to The Compliance Department, Walker Crips Structured Investments, Finsbury Tower, 103–105 Bunhill Row, London EC1Y 8LZ, United Kingdom 020 3100 8880.
