When you invest in the **Defensive Dual Index Plan**, you may receive **capital growth** of **7.5%** for each year of your investment depending on the performance of the **FTSE™ 100 Index** and the **S&P 500 Index**.

Your investment has the potential to mature early (kick-out) and pay back your initial capital plus a defined capital growth amount on one of six anniversary dates. The Plan includes a defensive feature whereby the required kick-out level reduces to 50% on the Investment End Date, thereby increasing the potential of a capital growth payment at the end of the investment.

Where the performance of the FTSE™ 100 Index and S&P 500 Index has not activated a fixed capital growth payment, and the plan runs to the full six-year term, there will be a reduction in your capital returned if the closing level of either Index is below 50% of its Initial Index Level on the Investment End Date.

Your money will be invested in securities issued by Abbey National Treasury Services plc, a wholly owned subsidiary of Santander UK plc. If Santander UK plc were to fail, e.g. become insolvent, you could lose some or all of your investment and any return that may be due.

Potential capital growth of 7.5% for each year of your investment

Your capital growth payments and the return of your capital are dependent on the performance of the FTSE™ 100 Index and the S&P 500 Index.

The Closing Levels of the FTSE™ 100 Index and the S&P 500 Index on the 14th December 2012 (Initial Index Levels), will be compared with their Closing Levels on each anniversary date.

If both Closing Levels on an anniversary date are equal to, or greater than, their Initial Index Levels, the Plan will close early and you will receive your Initial Capital plus the capital growth amount indicated.

If the Closing Levels on that date are less than their Initial Index Levels, the Plan will continue to the next anniversary date.

Where the Plan has not closed early on one of the first five anniversary dates, the required kick-out level reduces to 50% on the Investment End Date, thereby increasing the potential of a capital growth payment at the end of the investment.

NO	16th December 2013: Have both Indices closed at or above their Initial Index Levels?	YES	7.5% capital growth plus return of Initial Capital
NO	15th December 2014: Have both Indices closed at or above their Initial Index Levels?	YES	15% capital growth plus return of Initial Capital
NO	14th December 2015: Have both Indices closed at or above their Initial Index Levels?	YES	22.5% capital growth plus return of Initial Capital
NO	14th December 2016: Have both Indices closed at or above their Initial Index Levels?	YES	30% capital growth plus return of Initial Capital
NO	14th December 2017: Have both Indices closed at or above their Initial Index Levels?	YES	37.5% capital growth plus return of Initial Capital
NO	Defensive Feature 14th December 2018: Are both Indices at or above 50% of their Initial Index Levels?	YES	45% capital growth plus return of Initial Capital
	If the Closing Level of either Index is below 50% of its Initial Index Level on 14th December 2018, no growth will be achieved and there will be a capital loss based on the worst performing index. See page 6 for full details.		

The Plan is subject to a maximum capital growth and therefore the return you receive could be lower than if you invested directly in the shares of the companies which comprise the FTSE™ 100 Index or S&P 500 Index. Additionally, you will not receive dividends from those companies.

If the Plan has not matured early, the **risk to your Capital** at the end of the term depends on the performance of the FTSE™ 100 Index and the S&P 500 Index.

Where the Plan has not matured early and runs to the full six-year term, the return of your Initial Capital and any potential capital growth will depend on the performance of the FTSE™ 100 Index and S&P 500 Index between their respective Initial Index Levels (the closing level of each Index on the 14th December 2012) and their respective Final Index Levels (the closing level of each Index on the 14th December 2018).

Where both Final Index Levels are at or above 50% of their Initial Index Levels, you will receive 100% of your Initial Capital back plus capital growth of 45%.

If one or both Final Index Levels are below 50% of their Initial Index Levels, the Capital that you receive back will be reduced by 1% for every 1% the Final Index Level of the worst performing Index is below its respective Initial Index Level, or fraction thereof.

The table below illustrates how the return of your Initial Capital and capital growth will be affected by the Final Index Level of the worst performing Index on the 14th December 2018.

Where is the worst performing Index in relation to its respective Initial Index Level?	Capital growth	Capital return	Capital reduction
+20%	45%	100%	0%
+10%	45%	100%	0%
no change	45%	100%	0%
-10%	45%	100%	0%
-25%	45%	100%	0%
-50%	45%	100%	0%
-51%	0%	49%	51%
-55%	0%	45%	55%
-75%	0%	25%	75%

Irrespective of the performance of the FTSE™ 100 Index and the S&P 500 Index, your investment and the potential returns from the investment are at risk if the Counterparty, Santander UK plc, were to fail, e.g. becomes insolvent.

As the performance of the investment is dependent on the **FTSE™ 100 Index** and the **S&P 500 Index**, it is important to understand what they are and how they could affect your money.

The FTSE™ 100 Index is a share index which represents the performance of 100 of the UK's largest companies listed on the London Stock Exchange. It includes many household names such as GlaxoSmithKline, Tesco and Vodafone.

The S&P 500 Index is a share index which represents the performance of 500 of the US's largest companies. It includes many household names such as Apple, Coca-Cola, General Electric and Microsoft.

The following graph indicates performance of the Indices since 3rd January 1984 to 19th October 2012.

The Initial Index Levels for the plan will be the Closing Levels of each Index on the 14th December 2012.

Based on **an example**, if the Initial Index Level for the FTSE™ 100 Index was 5800 and the Initial Index Level for the S&P 500 Index was 1450 the corresponding kick-out levels required would be as follows.

Anniversary	First	Second	Third	Fourth	Fifth	Sixth
Required kick-out level	100%	100%	100%	100%	100%	50%
FTSE™ 100 Index example	5800	5800	5800	5800	5800	2900
S&P 500 Index example	1450	1450	1450	1450	1450	725

It is important you understand that the FTSE™ 100 Index and the S&P 500 Index are price indices which mean that they are based solely on share prices and do not take into account returns from dividends. Indices can fall as well as rise and past performance is not a reliable indicator of future performance. The use of two Indices, as opposed to one Index, may increase the risk of Capital loss.

There are a number of **ways you can invest** in the Plan, some of the options may be more tax efficient for you with careful planning. You should consult your Financial or Tax Adviser for further details of your individual tax position.

Direct investment

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Capital Gains Tax under present legislation. This means that you may be able to use your annual Capital Gains Tax exemption to reduce or eliminate the tax charge on any returns from this Plan. You should be mindful where you may have realised other investment gains, as the exemption applies to all of your taxable gains over the whole tax year.

Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

ISA investment

You can use your ISA allowance to invest from £5,000 to £11,280 for the current 2012/2013 tax year, provided that you have not already opened a Stocks and Shares ISA for the period 6th April 2012 to 5th April 2013.

You can also transfer an existing ISA provided the total value of ISA transfers is at least £5,000. There is no maximum limit for ISA transfers.

Other arrangements

The Plan is also eligible for most trust, corporate and charity investment. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

All information on taxation in this brochure is based on Walker Crips' understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances. Please note that Walker Crips does not provide tax advice and you should consult your own advisers before you invest.

Having read and accepted the brochure and all of the Terms and Conditions of the Defensive Dual Index Plan, complete the Application Form that accompanies this brochure for either a direct, ISA or pension scheme investment. Additional Application Forms and trust, corporate and charity application forms are available on request.

The Defensive Dual Index Plan is a structured investment plan provided and administered by **Walker Crips**.

The investments underlying the Plan are securities issued by Abbey National Treasury Services plc, a wholly owned subsidiary of **Santander UK plc**.

An investment in the Plan is an agreement with the Plan Manager, Walker Crips Structured Investments, to purchase an investment on your behalf and hold and administer that investment on your behalf.

On the Investment Start Date, Walker Crips, as the Plan Manager, will use your money to acquire, on your behalf, securities which are specifically structured to match the investment objectives described in this brochure.

These securities are a financial obligation from Abbey National Treasury Services plc that entitles you to the performance specified in the terms of this plan. Santander UK plc guarantee the securities issued by Abbey National Treasury Services plc.

Therefore, the return of your Capital and the capital growth payments as described in this brochure are subject to the continued solvency of the Counterparty, Santander UK plc. In the event of the insolvency of Santander UK plc, investors could lose all or part of their investment, and any potential capital growth, regardless of the performance of the underlying Indices.

Santander UK plc has been rated “A” by Standard & Poor’s, as at the time of publication. Standard & Poor’s is an independent credit rating agency and uses a scale to denote creditworthiness ranging from “AAA” (highest) to “D” (lowest). Issuers within the “A” rating band are described by Standard & Poor’s as having strong capacity to meet their financial commitments, but are more susceptible to the adverse effects of changes in circumstances and economic conditions than those issuers rated ‘AAA’ or ‘AA’.

The Standard & Poor’s rating is currently qualified with a “negative” outlook which means that a rating may be lowered. A Standard & Poor’s rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions.

For more information on credit ratings or other methods of assessing the strength of an issuer, please consult your Financial Adviser.

You should consider these **important points** and consult a Financial Adviser on the **suitability** of the Defensive Dual Index Plan for you and your individual situation. This brochure does not constitute investment advice.

The Plan MAY be suitable for you if:

- You can afford to lose some or all of your Capital.
- You will not need access to your Capital for six years.
- You would like to potentially receive growth from your Capital.
- You do not need income from your Capital.
- You want the potential for a defined return.
- You have a minimum of £5,000 to invest.
- You want your returns linked to stock market performance.

The Plan MAY NOT be suitable for you if:

- You cannot afford to accept any risk to your Capital.
- You do not have readily accessible spare cash for emergencies.
- You need income from your Capital over the next six years.
- You may need access to your Capital before the Investment End Date in six years' time.
- You want to add to your investment from time to time or at regular intervals.
- You do not want your returns linked to stock market performance.

Your Capital is at risk and you could lose some or all of your Capital. Unless you understand these risks and are sure of the suitability of this investment for you, then you should take financial advice.

You should only invest in this Plan if you do not need access to your money for the full Investment Term of six years. Early withdrawal may result in a loss of your Capital.

The Plan is designed to provide you with the potential for a fixed level of return which is dependent on the performance of the FTSE™ 100 Index and the S&P 500 Index. In order to achieve this level of return, your Capital will be put at risk. If one or both Indices have fallen below 50% of their Initial Index Levels on the Investment End Date you will lose some or all of your Investment.

The Plan is subject to maximum growth potential and does not invest directly in the shares of any FTSE™ 100 Index or S&P 500 Index companies and therefore does not receive dividends from those companies; as such the returns could be lower than if you invested directly in the shares of the Indices.

If Santander UK plc were to fail, e.g. becomes insolvent, you could lose some or all of your investment. As with all similar structured investments **in the event of Counterparty insolvency you will not have recourse to the Financial Services Compensation Scheme.** As the investor, it is you who faces these risks rather than the Plan Manager, Walker Crips Structured Investments.

The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. The Defensive Dual Index Plan gives you the potential to benefit from defined returns linked to the FTSE™ 100 Index and the S&P 500 Index; however your total return could be lower than you would have received in a deposit account.

Who is eligible to invest?

Anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes may invest in the Plan. There is no upper age limit. Direct investments may be in joint names. The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the terms of the entity permit investments of this type.

How can I see a copy of the prospectus?

In addition to this brochure, further information is available in the Prospectus which contains the full information and contractual terms for the securities. If you, or your adviser, would like to review the Prospectus before investing, an electronic copy is available on request from Walker Crips Structured Investments.

How will I be kept informed of the progress of my investment?

When your application and payment are received, we will write to you with details of your Plan. We will send you statements twice a year until the Investment End Date so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880 and prices will be published on our website at www.wcgpplc.co.uk/wcsi.

Can I change my mind?

Yes. When your Application Form is received, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Plan has purchased any securities, then you will receive your investment back in full with any accrued interest. If the Plan has purchased securities, then we will sell your holding and return the proceeds to you. You may get back less than you invested.

What is the early investment interest?

Walker Crips will pay interest on investments received up to the Investment Start Date from the date on which your cheque clears to and including the Investment Start Date. You will receive interest on your Initial Capital at a rate equivalent to the Walker Crips interest rate (currently 0.10% per annum). This interest will not be applied to your investment, but will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1. Please note that the interest may be subject to tax, depending on your personal circumstances.

Can I transfer my investments?

It is possible to transfer your Investments to another plan manager or custodian. Should you wish to request a transfer you should ensure that the plan manager or custodian accepts transfers of this type. There will be a transfer charge (see page 12) and you may also be charged by the new plan manager or custodian.

Can I withdraw my money?

If your circumstances were to change and you needed access to your money, you may have to close your Plan. You can do this at any time but early encashment may result in loss of Capital, particularly in the early years of the Plan. Partial withdrawals from the Plan may be accepted at the discretion of the Plan Manager. If you need to close your Plan before the Investment End Date, you can instruct the Plan Manager to sell your holding. The Plan Manager would need to receive any such instruction in writing in order to arrange for the sale to be made. The amount you will receive will be determined by the market value of the underlying securities which are held on your behalf under the Plan. During the investment term this value may go up or down. An early withdrawal charge (see page 12) will be deducted should you close your Plan (or part of your Plan, if permitted) early.

What happens at the end of my investment?

Shortly before the Investment End Date, We will write to you regarding your options. You will normally receive financial settlement within 14 business days of the Plan maturing, provided that you complete and return the relevant documentation. Provision of proceeds from the Plan are dependent upon the Plan Manager's timely receipt of maturity proceeds from the Issuer. It may be possible to transfer the proceeds of the Plan into a new investment.

What happens if I die?

If you die before the Investment End Date, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. There will be a charge levied for valuations and probate (see page 12).

What commissions are payable?

If you have a Financial Adviser, he or she will give you information about the cost of advice. Whether you receive advice or not, your Financial Adviser, if you have one, may receive a payment of up to 3% of your Initial Capital. The cost of this commission has been allowed for in the calculation of the returns from the Plan and no deductions will be made from your investment.

Are you charging me for this investment?

The costs of setting up and administering your Plan have been allowed for in the calculation of returns the Plan is designed to pay. The anticipated charges for this Plan are not expected to exceed 4.5% of your Initial Capital, which includes any commission payment to your Financial Adviser. Due to the effect of these charges, if you close your Plan early you may receive back less than you invested, especially in the early years of the Plan.

There will be no charges to transfer cash proceeds from an investment at maturity. However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

Instance	Charge
If you wish to sell your holding and encash your Plan prior to maturity.	£90.00
If you wish to transfer your holding to another plan manager or custodian prior to maturity.	£90.00
If you wish to transfer your ISA holding to another ISA manager prior to maturity.	£90.00
If we are requested to value your holding for Probate.	£30.00 per holding (maximum £150.00)
If you require any proceeds to be forwarded by same day transfer. (CHAPS)	£15.00

Please note we do not make any additional charges to transfer your cash by either standard electronic transfer (BACS) or by cheque.

How do I make a complaint?

If you wish to complain about any aspect of the service you have received from us, you may do so in writing to: Compliance Department, Walker Crips Stockbrokers Ltd, Finsbury Tower, 103 – 105 Bunhill Row, London EC1Y 8LZ Alternatively, you can call 020 3100 8880.

If you are not satisfied with the way Walker Crips handle your complaint, you may be entitled to take your complaint to the Financial Ombudsman Service at South Quay Plaza, 183 Marsh Wall, London E14 9SR. 0845 080 1800. Please note that making a complaint will not prejudice your right to take legal proceedings.

Are there compensation arrangements?

Before the Investment Start Date, and when the Plan matures, your cash will be held in a client money account with an FSA regulated bank. This cash is protected in accordance with the Financial Services Authority's client money regulations. In the event that Walker Crips Stockbrokers Limited (the Plan Manager) becomes insolvent, your cash cannot be accessed by our creditors or the bank itself. If the bank holding your cash becomes insolvent, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). The maximum compensation limit for cash accounts is currently £85,000 per person, per authorised institution. You should be aware, though, that all of your balances with any particular bank, including your personal accounts, would be aggregated in the event that the compensation scheme was triggered.

You do not have the right to claim compensation against Walker Crips, or from the FSCS, in relation to poor investment performance of the underlying securities of the Plan. Equally, if the Counterparty becomes insolvent, you will not be entitled to claim compensation. However, in other circumstances where you may be entitled to make a valid claim against the Plan Manager or your Financial Adviser and they are unable to meet their liabilities in full, the maximum compensation limit for investments is currently £50,000 per person.

For further information about the scheme contact the Financial Services Compensation Scheme, 7th Floor, Lloyds Chambers, Portsoken Street, London E1 8BN. 0800 678 1100. Or visit the FSCS website at www.fscs.org.uk

The Plan Manager is responsible for compliance with these regulations. You may be asked for proof of identity and evidence of address when investing or on early withdrawal or maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.
5. Individual Savings Accounts ('ISAs') can be either a Stocks and Shares ISA or a Cash ISA. The Plan is only eligible for Stocks and Shares ISA subscription. For the tax year 2012/2013, you must not have subscribed and may not subscribe to another Stocks and Shares ISA in the same tax year. You may, however, invest in a Cash ISA in the same tax year if you have not used the maximum ISA allowance of £11,280 for the tax year 2012/2013 in your Stocks and Shares ISA. Individuals can transfer money saved in Cash ISAs into Stocks & Shares ISAs without affecting their annual Stocks & Shares ISA allowance. Cash ISAs transferred in this way will lose their Cash ISA status and will form part of your accumulated Stocks & Shares ISAs.
6. You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the Regulations, an ISA has, or will, become void.
7. The Plan Manager shall not accept any further amounts into an ISA Account if the Regulations no longer give you the right to invest in that ISA Account.
8. The Plan Manager will hold any cash in your Plan in a sterling deposit client account or accounts in accordance with the FSA Handbook. All client account money will be segregated from the funds belonging to Walker Crips Stockbrokers Ltd. Therefore, in the event of insolvency or default by the bank, any shortfall in client money may be shared pro rata among all clients.

9. Early investment interest will be paid on subscriptions received prior to the closing date. Interest will begin to accrue once your cheque clears at the Walker Crips interest rate (currently 0.10%) per annum, up to and including the Investment Start Date. The amount of interest will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1 in any quarter. Interest will be credited gross, however, you may be liable for tax, depending on your personal circumstances.
10. Other cash balances held in your Plan will earn interest at the prevailing Walker Crips rate. The current Walker Crips interest rate scales are available on request. No interest will be credited if the interest amount is less than £1 in any quarter. The interest rate payable will not be lower than 0%.
11. Your investment in the Plan includes an agreement to purchase Investments for your Account. These Investments are securities, which have been structured with a view to meeting the Investment Objective of the Plan. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.
12. The Investments in your Plan will be exercised or mature on the Maturity Date. The Investments are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with the Investment Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the initial capital investment originated. Should this occur, you will be informed in writing by the Plan Manager.
13. For UK residents, under current legislation, the proceeds of an ISA Account will not be subject to either UK income tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. Where Investments are held through a Direct Account, you may be subject, depending on your personal circumstances, to UK tax on any income received or any capital gain arising on disposal. These statements are based on current legislation, regulations and practice, all of which may change.
14. The Principles for Businesses of our regulator, the FSA, say that a firm must manage conflicts of interest fairly, both between itself and its customers and between one customer and another. Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, commissions, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.
15. Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
16. Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Plan.

17. The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, willful default or fraud on the part of the Plan Manager or the Nominee.
18. At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FSA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.
19. The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your Account.
20. The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the negligence or misconduct of any such agent or delegate, except where it has been negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FSA Handbook, the Plan Manager may be subject.
21. The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the FSA Handbook or Regulations or if you are in breach of the Regulations.
22. The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
23. The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions.
24. You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or to be transferred to another plan manager. The Dealing Date will be immediately after we have received and processed your instruction. If a Dealing Date is not a Scheduled Trading Day, we will sell your holding on the following day which is a Scheduled Trading Day. There will be a restricted market in the sale of Investments. Early encashment may result in a loss of Capital. An early withdrawal fee of £90 will be charged.
25. Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your Plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.
26. On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees. A maximum charge of £150 will be levied for valuations for probate.
27. The returns which you are due to receive, in accordance with the Investment Objective, are net of all anticipated charges and expenses (excluding any tax that you may be liable to pay, or charges we may reasonably require you to pay in respect of taxation changes). The charges exclude any such tax or charges for taxation changes, but include commission which may be paid to any financial adviser who arranged the investment. No other charges are anticipated. The total charges for this product are taken on the Investment Start Date, although if the Plan Manager has to buy further investments to meet additional demand the charges may vary. This would not affect the returns described in this brochure. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.
28. Part of the fees and charges in this Plan may be paid to a Financial Adviser, who has provided you with advice or otherwise arranged your investment, as commission. We will confirm the commission rate paid to your adviser as a percentage of consideration when we write to you to confirm the purchase of Investments.
29. Where your adviser elects to receive less than the maximum commission, we will discount the Plan by the difference between the maximum commission rate and the actual commission rate. As a result, we will be able to purchase a greater amount of Investments for your Plan on your behalf.
30. The Plan Manager may vary these Terms by giving you reasonable written notice:
 - (a) to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FSA Rules (or the way they are applied);
 - (b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
 - (c) in order to administer your Plan more effectively, or to introduce additional facilities or options within your Plan.

The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.
31. Notices will be duly given by the Plan Manager and sent to the last address notified to the Plan Manager by the Investor.
32. The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:
 - (a) for any default by the Issuer,
 - (b) for any default by any securities depository with whom your Investments are deposited;
 - (c) for any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or willful default by the Plan Manager or any Associated Company;
 - (d) for any adjustments or terminations provided for in the Terms of the Investments as described below and in clause 33.
 - (e) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - (f) for the acts or omissions of any professional adviser who arranged your investment in a Plan.

The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting the Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that the Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Counterparty is in default. Investors needing a fuller understanding of the detailed risks under the Investments are referred to the Prospectus for the securities (a copy of which shall be made available upon request from the Counterparty or the Plan Manager). No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FSA Rules.

33. If a market disruption event, Extraordinary Event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Investments in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner. This may include termination of the Investments.
- Market disruption events include, but are not limited to, the calculation or publication of the Index level(s) by the relevant Index Sponsor on a Scheduled Trading Day being disrupted, altered or delayed.
- Extraordinary Events include, but are not limited to, a fundamental change to the method of calculation of the Index or Indices, a relevant Index not being published for 30 consecutive days, or the announcement that the publication of a relevant Index is to cease.
- Examples of adjustments that may need to be made include, but are not limited to: postponing taking the level of a relevant Index on the date which such event occurs, using a reasonable alternative method of calculating or estimating the value of a relevant Index or selecting an appropriate substitute index.
34. You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Direct Account and its investments which HM Revenue & Customs may reasonably request at any time.
35. At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.
36. The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.
37. For your security and for training and monitoring purposes telephone conversations may be recorded.
38. The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with the FSA Handbook, for a period of six years. (Interest will not be paid on such funds). The Investor consents to any money held in a client account for more than six years being released and no longer treated as client money in accordance with the client money regulations of the FSA Handbook.
39. In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.
40. Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.
41. These Terms and Conditions shall be governed by English Law and will become effective on acceptance by the Plan Manager of your signed Application Form. The Plan Manager will write and speak to you in English throughout the duration of your investments.
42. The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.
43. If you make a valid claim against the Plan Manager or your Financial Adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered, the maximum compensation is £50,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FSA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.
44. Any complaint about any aspect of the service received should be made to The Compliance Department, Walker Crips Structured Investments, Finsbury Tower, 103 – 105 Bunhill Row, London EC1Y 8LZ, United Kingdom 020 3100 8880.
