

# Defensive Dual Index Plan Issue Eighteen (Kick-out)

## Potential Return at Maturity

If, after six years (12<sup>th</sup> September 2019), the FTSE™ 100 Index and the S&P 500 Index close at or above **75%** of their Initial Index Levels, you will receive 100% of your Initial Capital, plus additional capital growth of 51%.

## Potential Early Maturity after 2, 3, 4 or 5 Years

If, after two, three, four or five years (14<sup>th</sup> September 2015, 12<sup>th</sup> September 2016, 12<sup>th</sup> September 2017 or 12<sup>th</sup> September 2018) the FTSE™ 100 Index and the S&P 500 Index have closed at or above their Initial Index Levels, the Plan will mature early and you will receive 100% of your Initial Capital, plus additional capital growth of 17%, 25.5%, 34% or 42.5% respectively.

## Final Redemption

If the Plan has not matured early, and after six years both Indices are at or above 75% of their respective Initial Index Levels, the Plan will provide 51% capital growth.

Where one or both Final Index Levels are below 75% of their Initial Index Levels **but** at or above 50% of their Initial Index Levels, you will receive 100% of your Initial Capital only, and no capital growth will have been achieved.

If, however, one or both of the Indices close below 50% of their respective Initial Index Levels on the Investment End Date (12<sup>th</sup> September 2019), there will be a capital reduction, and no growth will have been achieved.

This capital reduction (if any), will be determined by the worst performing Final Index Level. Capital will be reduced by 1% for every 1% the worst performing Final Index Level is below its Initial Index Level (and part thereof).

Please note that where an adviser charge has been deducted, the returns quoted on this summary refer to the Net Investment Amount after the deduction of charges.

## Investment Start Date

12<sup>th</sup> September 2013

## Investment Term

Six years
