

# Defensive Dual Index Plan Issue Thirteen (Kick-out)

## Potential Return at Maturity

If, after six years (14<sup>th</sup> December 2018), the FTSE™ 100 Index closes at or above **2960.88** and the S&P 500 Index closes at or above **706.79**, you will receive 100% of your Initial Capital, plus additional capital growth of 45%.

## Potential Early Maturity after 1, 2, 3, 4 or 5 Years

If, after one, two, three, four or five years (16<sup>th</sup> December 2013, 15<sup>th</sup> December 2014, 14<sup>th</sup> December 2015, 14<sup>th</sup> December 2016 or 14<sup>th</sup> December 2017) the FTSE™ 100 has closed at or above **5921.76** and the S&P 500 has closed at or above **1413.58**, the Plan will mature early and you will receive 100% of your Initial Capital, plus additional capital growth of 7.5%, 15%, 22.5%, 30% or 37.5% respectively.

## Final Redemption

If the Plan has not matured early, and after six years both Indices are at or above 50% of their respective Initial Index Levels, (FTSE™ 100 Index, **2960.88** and S&P 500 Index **706.79**) the Plan will provide 45% capital growth.

If, however, one or both of the Indices close below 50% of their respective Initial Index Levels on the Investment End Date (14<sup>th</sup> December 2018), there will be a capital reduction, and no growth will have been achieved.

This capital reduction (if any), will be determined by the worst performing Final Index Level. Capital will be reduced by 1% for every 1% the worst performing Final Index Level is below its Initial Index Level (and part thereof).

## Capital Return

You will normally receive your Initial Capital back with any returns from the Plan and less any capital reduction, if any, approximately 14 business days after the end of the Investment Term or anniversary date, subject to timely receipt of maturity proceeds from the Issuer.

## Investment Start Date

14<sup>th</sup> December 2012

## Investment Term

Six years

## Investment End Date

14<sup>th</sup> December 2018

## Underlying Indices

FTSE™ 100 Index and S&P 500 Index

## Initial Index Levels

Closing Levels on 14<sup>th</sup> December 2012

FTSE™ 100 Index: **5921.76**
