The **Fixed Income Plan** aims to provide you with fixed semi-annual **income** payments, for three and a half years.

The Fixed Income Plan has been designed to provide income payments, fixed at 3.25% of your initial investment, every six months over a three and a half year term.

Your income will not be affected by index performance, however, the return of your initial investment depends on the performance of the FTSE™ 100 Index over the three and a half year investment term.

If, during the three and a half year investment term, the FTSE™ 100 Index has fallen by more than 40% from the Initial Index Level and has not recovered to the same level, or higher, by the end of the investment term, your capital will be reduced. See page 6 for a further explanation and illustration.

3.25% fixed income paid semi-annually (6.5% gross p.a.)

Regular income paid for three and a half years

Capital is at risk, you could lose some or all of your initial investment

Counterparty is Santander UK plc, which holds a 'AA' credit rating from Standard & Poor's

Invest from a minimum of £50,000 (£1,000 increments thereafter)

If Santander UK plc were to fail, e.g. become insolvent, you could lose some or all of your investment and any return that may be due.

You will receive seven payments of 3.25%, making a total income of 22.75% over the three and a half year term. Income is paid irrespective of FTSE™ 100 Index performance.

This table illustrates the total level of income that you will receive if held for the full Investment Term.

Initial Investment	£50,000	£100,000	£250,000	£500,000
29th August 2011	£1,625	£3,250	£8,125	£16,250

Income can be paid directly into your bank account or retained within your Walker Crips account where it will receive interest at the prevailing Walker Crips rate. Income cannot be reinvested within the plan.

The Plan is subject to a maximum income paid and therefore the return you receive could be lower than if you invested directly in the shares of the companies of the Index. Additionally, your money is not invested directly in the shares of FTSE™ 100 Index companies and therefore you will not receive dividends from those companies.

The **return of your capital** at the end of the term depends on the performance of the FTSE™ 100 Index over the three and a half year term.

The return of your Initial Capital will depend on the performance of the FTSE™ 100 Index, between the **Initial Index Level** (the closing level on the 28th February 2011) and the **Final Index Level** (the closing level on the 28th August 2014).

Where the Final Index Level is **at or above** the Initial Index Level you will receive 100% of your initial capital back irrespective of Index performance during the three and a half year Investment Term.

Where the Final Index Level is **below** the Initial Index Level and the closing level of the FTSE™ 100 Index **has not fallen** by more than 40%, on any day during the Investment Term, you will receive 100% of your initial capital back.

Where the Final Index Level is **below** the Initial Index Level and the closing level of the FTSE™ 100 Index **has fallen** by more than 40%, on any day during the Investment Term, your initial capital will be reduced by 1% for every 1% the Final Index Level is below the Initial Index Level (or fraction thereof).

The table below illustrates how the return of your initial capital will be affected by the performance of the FTSE™ 100 Index over the Investment Term.

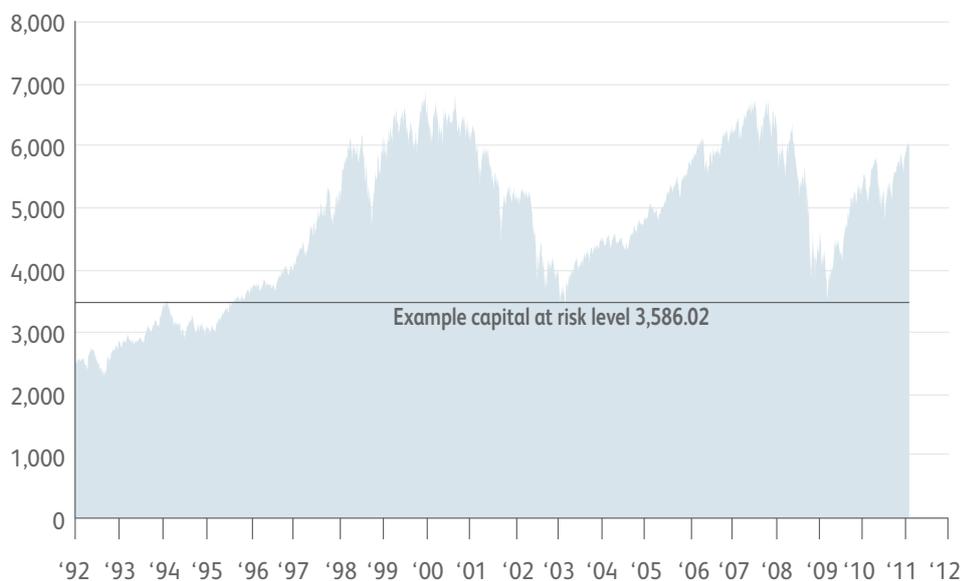

Change in FTSE™ 100 Index from Initial Index Level to Final Index Level	Index does not fall by more than 40% during the Investment Term		Index does fall by more than 40% during the Investment Term	
	Capital returned at maturity	Capital returned plus income received	Capital returned at maturity	Capital returned plus income received
+20%	£50,000	£61,375	£50,000	£61,375
+10%	£50,000	£61,375	£50,000	£61,375
no change	£50,000	£61,375	£50,000	£61,375
-10%	£50,000	£61,375	£45,000	£56,375
-20%	£50,000	£61,375	£40,000	£51,375
-40%	£50,000	£61,375	£30,000	£41,375
-60%	-	-	£20,000	£31,375

Irrespective of the performance of the FTSE™ 100 Index your investment and the potential returns from the investment are at risk if the Counterparty, Santander UK plc, were to fail (e.g. become insolvent).

Your money is not invested directly into the **FTSE™ 100 Index**. However, as the return of your capital is dependent on the performance of this Index, it is important to understand what it is and how it could affect your money.

If the FTSE™ 100 Index falls by more than 40% of its Initial Index Level during the Investment Term and does not recover to the same as, or higher than, its Final Index Level on the 28th August 2014, you will receive back less than your Initial Capital.

The FTSE™ 100 Index is a share index representing the performance of 100 of the UK's largest companies by market capitalisation that are listed on the London Stock Exchange. It includes many household names such as GlaxoSmithKline, Tesco and Vodafone.

Based on an example of the closing level of the FTSE™ 100 Index on the 19th January 2011 the Initial Index Level would be set at 5,976.70. Therefore, if the FTSE™ 100 Index were to close below 3,586.02 on any day during the Investment Term your capital will be at risk.

This is only an example and the Initial Index Level for the Fixed Income Plan will not be set until the 28th February 2011.

It is important that you understand that the FTSE™ 100 Index can fall as well as rise, and that past performance must not be seen as an indication of future performance.

There are a number of **ways you can invest** in the Plan, some of the options may be more tax efficient for you with careful planning. You should consult your Financial or Tax adviser for further details of your individual tax position.

Direct investment

It is Walker Crips' understanding that the returns you may receive on any direct investment are subject to Income Tax under present legislation.

Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit investments of this type.

Other arrangements

The Plan is also eligible for most trust, corporate and charity investment. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

The Plan is not eligible for ISA investment.

All information on taxation in this booklet is based on Walker Crips' understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances.

This brochure does not constitute tax, legal or investment advice, and you should consult your own advisers.

Having read and understood the brochure and the full Terms and Conditions of the Fixed Income Plan, complete the Application Form that accompanies this booklet for either direct or pension scheme investment. Additional application forms and trust, corporate and charity application forms are available on request.

Return your application and payment by 5pm on Wednesday, 23rd February 2011.

Please make cheques payable to Walker Crips Stockbrokers Limited.

The Fixed Income Plan is a structured investment plan managed and provided by **Walker Crips**. The investments underlying the plan are securities issued by Abbey National Treasury Services plc, a wholly owned subsidiary of **Santander UK plc**.

An investment in the Plan is an agreement with the Plan Manager, Walker Crips Structured Investments, to purchase an investment on your behalf and then hold and administer that investment on your behalf.

On the Investment Start Date, Walker Crips, as the Plan Manager, will use your money to acquire, on your behalf, securities which match the investment objectives described in this brochure.

These securities are known as Medium Term Notes, which are a type of corporate bond, effectively a loan to Santander UK plc, that they are obliged to repay after a defined period of time.

Therefore, the return of your Capital and the income payments as described in this brochure are subject to the continued solvency of Santander UK plc. In the event of the insolvency of Santander UK plc, investors could lose all or part of their investment, and any potential return, regardless of the performance of the underlying index.

Santander UK plc has been rated “AA” by Standard & Poor’s, at the time of publication. Standard & Poor’s is an independent credit rating agency and uses a scale to denote creditworthiness ranging from “AAA” (highest) to “D” (lowest). Issuers within the “AA” rating band are described by Standard & Poor’s as having a very strong capacity to meet their financial commitments, differing from “AAA” issuers only to a small degree.

The Standard & Poor’s rating is currently qualified with a “negative” outlook which means that a rating may be lowered. This is not necessarily a precursor to a rating change, however, it does indicate the potential direction of a credit rating over the intermediate term (typically six months to two years).

For more information on credit ratings or other methods of assessing the strength of an issuer, please consult your Financial Adviser.

In order for you to decide whether this Plan is suitable for you or not, you should consider these **important points**. If you are in any doubt as to the **suitability** of the Fixed Income Plan for your individual situation, you should consult a Financial Adviser. This booklet does not constitute investment advice.

The Plan MAY be suitable for you if:

You will not need access to your Capital for three and a half years.

You would like to potentially receive income from your Capital.

You do not need growth from your Capital.

You want the potential for a defined return.

You have a minimum of £50,000 to invest.

You are prepared to lose some or all of your Capital.

The Plan MAY NOT be suitable for you if:

You are not prepared to accept any risk to your Capital.

You do not have readily accessible spare cash for emergencies.

You need capital growth from your money over the next three and a half years.

You may need access to your capital before the Investment End Date in three and a half years' time.

You want to add to your investment from time to time or at regular intervals.

You do not want your returns linked to stock market performance.

Your Capital is at risk and you could lose some or all of your Capital. Unless you understand these risks and are sure of the suitability of this investment for you, then you should take financial advice.

You should only invest in this Plan if you do not need access to your money for the full Investment Term of three and a half years. Early withdrawal may result in loss of Capital.

The Plan is designed to provide you with a fixed level of income. In order to achieve this level of income your Capital will be put at risk. If the FTSE™ 100 Index has fallen below 60% of its Initial Index Level during the Investment Term you may lose some or all of your Investment.

The Plan is subject to a maximum return and does not invest directly in the shares of the FTSE™ 100 Index companies and therefore does not receive dividends from those companies; as such the returns could be lower than if you invested directly in the shares of the Index.

If Santander UK plc were to fail (e.g. become insolvent), you could lose some or all of your investment. As with all similar structured investments, **in the event of Counterparty insolvency you will not have recourse to the Financial Services Compensation Scheme**. It is you the investor who faces these risks rather than the Plan Manager, Walker Crips Structured Investments.

The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. The Fixed Income Plan gives you the opportunity to receive income payments from your money, however your total return could be lower than you would have received in a deposit account.

Who is eligible to invest?

Anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes may invest in the Plan. There is no upper age limit. Direct investments may be in joint names. The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the terms of the entity permit investments of this type.

Can I change my mind?

Yes. When your Application Form is received, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Investment Start Date, then you will receive your investment back in full with any accrued interest. If this is after the Investment Start Date, then we will sell your holding and return the proceeds to you. You may get back less than you invested.

What is the early investment interest?

Walker Crips will pay interest on investments received up to the Investment Start Date from the date on which your cheque clears to and including the Investment Start Date. You will receive interest on your Initial Capital at a rate equivalent to the Walker Crips interest rate (currently 0.10% per annum). This interest will not be applied to your investment, but will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1. Please note that the interest may be subject to tax, depending on your personal circumstances.

Can I transfer my investments?

It is possible to transfer your Investments to another plan manager or custodian. Should you wish to request a transfer you should ensure that the plan manager or custodian accepts transfers of this type. A charge of £90 will be levied by Walker Crips and you may also be charged by the new plan manager or custodian.

Are you charging me for this investment?

The costs of setting up and administering your Plan have been allowed for in the calculation of returns the Plan is designed to pay. The anticipated charges for this Plan should not exceed 3% of your Initial Capital, which includes any commission payment to your Financial Adviser. If, however, you close your Plan early, an early withdrawal fee of £90 will be charged and you may receive back less than you invested, especially in the early years of the Plan due to the effect of these charges.

What commissions are payable?

If you have a Financial Adviser, he or she will give you information about the cost of advice. Whether you receive advice or not, your Financial Adviser, if you have one, will receive a payment of up to 1.5% of your Initial Capital. The cost of this commission has been allowed for in the calculation of the returns from the Plan and no deductions will be made from your investment.

What happens if I die?

If you die before the Investment End Date, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. Please see the section entitled "Can I withdraw my money?" for further details about how the withdrawal amount will be calculated.

Can I withdraw my money?

If your circumstances were to change and you needed access to your money, you may have to close your Plan. You can do this at any time but early encashment may result in loss of Capital, particularly in the early years of the Plan. Partial withdrawals from the Plan are not typically allowed but may be accepted at the discretion of the Plan Manager. If you need to close your Plan before the Investment End Date, you can instruct the Plan Manager to sell your holding. The Plan Manager would need to receive any such instruction in writing in order to arrange for the sale to be made. The amount you will receive will be determined by the market value of the underlying securities which are held on your behalf under the Plan. During the investment term this value may go up or down. A charge of £90 will be deducted should you close your Plan (or part of your Plan, if permitted) early.

What happens at the end of my investment?

Shortly before the Investment End Date, We will write to you regarding your options. You will normally receive financial settlement within 7 business days of the Plan maturing, provided that you complete and return the relevant documentation. Provision of proceeds from the Plan are dependent upon the Plan Manager's timely receipt of maturity proceeds from the Issuer. It may be possible to re-invest the proceeds of the Plan into a new investment.

How will I be kept informed of the progress of my investment?

When your application and payment are received, we will write to you with details of your Plan. We will send you statements twice a year until the Investment End Date so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880 and prices will be published on our website at www.wcgplc.co.uk/wcsi.

You should note, though, that if the performance of the investments does not match the illustrated benefits, for example if the Counterparty were to become insolvent, you will not, for that reason alone, be entitled to such compensation.

Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, commissions, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.
11. Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
12. Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Fixed Income Plan.
13. The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, willful default or fraud on the part of the Plan Manager or the Nominee.
14. At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FSA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.
15. The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your Account.
16. The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the negligence or misconduct of any such agent or delegate, except where it has been negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FSA Handbook, the Plan Manager may be subject.
17. The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the FSA Handbook or Regulations or if you are in breach of the Regulations.
18. The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions.

19. You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or to be transferred to another plan manager. Such notice must be received no later than close of business two days prior to the next Dealing Date. Early encashment may result in a loss of Capital. There will be a restricted market in the sale of Investments. We may, at our discretion, sell your investments immediately on receipt of your instructions, or on any date up to and including the next Dealing Date. An early withdrawal fee of £90 will be charged.
20. Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your Plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.
21. On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees. A maximum charge of £150 will be levied for valuations for probate.
22. The returns which you are due to receive, in accordance with the Investment Objective, are net of all anticipated charges and expenses (excluding any tax that you may be liable to pay, or charges we may reasonably require you to pay in respect of significant taxation changes). The charges exclude any such tax or charges for taxation changes, but include commission which may be paid to any financial adviser who arranged the investment. No other charges are anticipated. The charges for this product will not exceed 3%, taken on the Investment Start Date, although if the Plan Manager has to buy further investments to meet additional demand this figure may vary. This will not affect the returns described in this brochure. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.
23. Part of the fees and charges described in clause 22 above may be paid to a Financial Adviser, who has provided you with advice or otherwise arranged your investment, as commission. The maximum commission payable is expected to be 1.5% of the consideration paid by you when we purchase Investments for your Plan on your behalf. We will confirm the commission rate paid to your adviser as a percentage of consideration when we write to you to confirm the purchase of Investments.
24. Where your adviser chooses to take less than the maximum commission, we will discount the Plan by the difference between the maximum commission rate and the actual commission rate. As a result, we will be able to purchase a greater amount of Investments for your Plan on your behalf.
25. The Plan Manager may vary these Terms by giving you reasonable written notice:
- to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FSA Rules (or the way they are applied);
 - to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
 - in order to manage your Plan more effectively, or to introduce additional facilities or options within your Plan.
- The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.
26. Notices will be duly given by the Plan Manager and sent to the last address notified to the Plan Manager by the Investor.
27. The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:
- for any default by the Counterparty;
 - for any default by any securities depository with whom your Investments are deposited;
 - for any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or willful default by the Plan Manager or any Associated Company;
 - for any adjustments or terminations provided for in the Terms of the Investments as described below and in Section 22.
 - if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - for the acts or omissions of any professional adviser who arranged your investment in a Plan.
- The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting the Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that the Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Counterparty is in default. Investors needing a fuller understanding of the detailed risks under the Investments are referred to the Prospectus for the securities (a copy of which shall be made available upon request from the Counterparty or the Plan Manager). No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FSA Rules.
28. If a market disruption event, Extraordinary Event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Investments in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner. This may include termination of the Investments.
- Market disruption events include, but are not limited to, the calculation or publication of the Index level by the Index Sponsor on a Scheduled Trading Day being disrupted, altered or delayed or a disruption occurring to the London Stock Exchange and/or the LIFFE.
- Extraordinary Events include, but are not limited to, a fundamental change to the method of calculation of either Index, either Index not being published for 30 consecutive days or the announcement that publication of the Index is to cease.
- Examples of adjustments that may need to be made include, but are not limited to: postponing taking the level of the Index on the date which such event occurs, using a reasonable alternative method of calculating or estimating the value of the Index, selecting an appropriate substitute index.
29. You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Direct Account and its investments which HM Revenue & Customs may reasonably request at any time.
30. At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.
31. The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.

32. Partial withdrawals or partial transfers may be permitted at the Plan Manager's discretion. The withdrawal fee of £90 will be charged for each partial transfer.
33. For your security and for training and monitoring purposes telephone conversations may be recorded.
34. The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with the FSA Handbook, for a period of 6 years. (Interest will not be paid on such funds). The Investor consents to any money held in a client account for more than 6 years being released and no longer treated as client money in accordance with the client money regulations of the FSA Handbook.
35. In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.
36. Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.
37. These Terms and Conditions shall be governed by English Law and will become effective on acceptance by the Plan Manager of your signed Application Form. The Plan Manager will write and speak to you in English throughout the duration of your investments.
38. The value of the investments may fall as well as rise due to market movements and, where applicable, exchange rate fluctuations.
39. The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.
40. If you make a valid claim against the Plan Manager or your Financial Adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered, the maximum compensation is £50,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FSA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.
