The Fixed Income Plan

The WCSI Fixed Income Plan aims to provide investors with a regular fixed income independent of market movements. Whatever the performance of the FTSE™ 100 Index, investors will receive a fixed level of annual or quarterly income over the five-year Investment Term.

The Plan will benefit investors who wish to achieve a high rate of return and are prepared to accept a defined degree of risk to achieve this return. The WCSI Fixed Income Plan has been designed to offer investors this choice of competitive returns paid annually or quarterly.

- Your money will be invested in securities issued by **Barclays Bank plc**, which currently has an independently assessed credit rating of 'AA' from Standard & Poor's. This rating has remained unchanged since 1994.
- The Investment Term is five years.
- The investment will pay you a fixed return of **7.50% annually** or **1.825%** on a **quarterly** basis, depending on the option chosen.
- Your capital will be returned in full at maturity provided that the FTSE™ 100 Index does not close below 50% of its Initial Level during the term of the Plan.
- However, if the FTSE™ 100 Index falls more than 50% below its Initial Level AND fails to recover to the Initial Index Level at maturity, there may be a reduction in the amount of capital returned.
- Offer closes Wednesday, 3rd December 2008.
- Early investment interest of **4.75%** per annum will be paid on investments in the Plan made prior to the closing date.

Annual or quarterly income payments

The Plan will pay you a fixed income payment of **7.50%** per annum or **1.825%** on a quarterly basis. The table illustrates the income you will receive on an annual or quarterly basis, depending on the option chosen, for a given amount of capital invested.

Invested capital	Annual income option	Quarterly income option
£5,000	£375	£91.25
£10,000	£750	£182.50
£50,000	£3,750	£912.50

Payment will normally be made to you within seven business days. Please note that if you have invested through an ISA account, payment dates may be different. Please see the 'ISA Income Payments' section on page 8 for further details.

Based on a £10,000 investment, this table illustrates the total level of income that you will receive during the Investment Term if the investment is held throughout the Investment Term.

	Annual income option ¹	Quarterly income option ¹
Year One	£750	£730
Year Two	£750	£730
Year Three	£750	£730
Year Four	£750	£730
Year Five	£750	£730
Total income	£3,750	£3,650

You will not benefit from a positive performance of the FTSE™ 100 Index in the same way as you will not suffer from poor performance unless the Closing Level of the FTSE™ 100 Index falls by more than 50% of the Initial Level, on any day during the Investment Term.

¹ These returns are not compounded and do not take into account any potential interest that could be gained by reinvesting the proceeds in an alternative investment.

Conditional capital protection

The Fixed Income Plan is designed to return invested capital at maturity provided that on no date during the term of the Plan has the FTSE™ 100 Index closed below 50% of its Initial Level.

The Initial Level of your Plan will be the closing level of the FTSE™ 100 Index on the Investment Start Date. On each day that the London Stock Exchange is scheduled to be open for trading, we will look at the official closing level of the FTSE™ 100 Index for that day.

Your capital will be returned in full at maturity provided that the FTSE™ 100 Index does not close below 50% of its Initial Level during the term of the Plan. If, however, the Index has closed below 50% of its Initial Level, there may be a capital reduction.

Capital reduction (if any), will be determined by the closing level of the Index on 10th December 2013. Capital will be reduced by 1% for every 1% the Final Level is below the Initial Level.

If the Index does fall 50% and then subsequently returns to or above the Initial Level by the end of the five-year Investment Term, you would still be returned the full amount of your Initial Investment.

This table shows potential returns at the end of the Investment Term on a £10,000 investment, dependent on the performance of the FTSE™ 100 Index

About the FTSE™ 100 Index

The FTSE™ 100 Index is a share index of the hundred largest companies by market capitalisation listed on the London Stock Exchange.

Many of the companies in the FTSE™ 100 Index are household names in the UK such as Tesco, BP, BT and Vodafone.

By using an index rather than individual stocks, the underperformance by one company may be counter-balanced by the stronger performances of other companies in the Index.

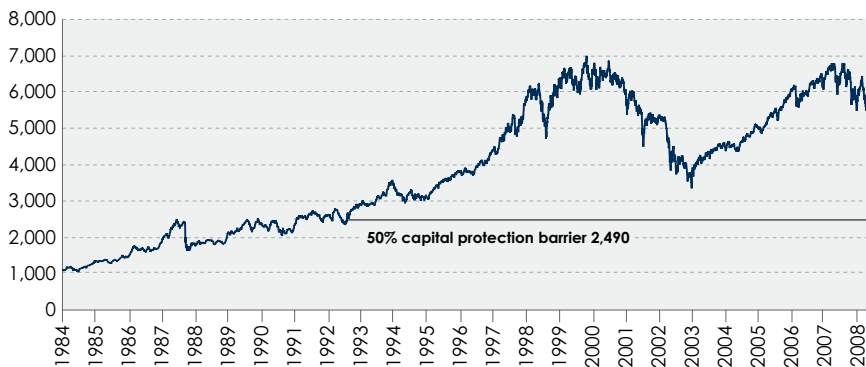

Historically, investment in the stock market has outperformed other types of investments, such as deposit accounts, over the long term*. Bear in mind that with the Fixed Income Plan, your money is not directly invested in the FTSE™ 100 Index.

The returns from the Fixed Income Plan may not be the same as those you would receive if you invested directly in shares of the companies in the FTSE™ 100 Index, as returns from shares include dividends, which are not added to the Plan.

It is important that you are aware that the FTSE™ 100 Index can fall as well as rise, and that past performance must not be seen as an indication of future performance.

* Source: Bloomberg

The FTSE™ 100 Index performance from 1984 to 3rd October 2008

Based on the FTSE™ 100 Index Value of 4,980 (3rd October, 2008), the Index would have to fall to 2,490 before there would any risk to investor's capital. The last time the Index was at this level was 6th October 1992.

However, investors must be aware that the Initial Level for the WCSI Fixed Income Plan will not be set until the 10th December 2008, therefore the barrier level for the Plan will be 50% below the closing level on this date.

Even if the Index does fall 50% and then subsequently returned to the Initial Level by the end of the five-year Investment Term, investors would still be returned the full amount of their initial capital investment.

Investment options

There are a number of ways you can invest in the Plan. Some of the options enable you to make the most of certain tax-free allowances, so it is important to consider your tax situation before investing and consult your Financial Adviser.

Direct investment

You can make a direct investment into the Plan with a minimum of £5,000 and up to a maximum of £1,000,000. Direct investments can be in joint names.

Pension investment

The Fixed Income Plan is eligible for SIPP (Self Invested Personal Pension) and SSAS (Small Self-Administered Scheme) investment. It is important you discuss your pension arrangements with your Financial Adviser when choosing this option.

Other arrangements

The Plan is eligible for corporate and trust investment. Please consult your Financial Adviser about these options.

Individual Savings Account (ISA) Investment

Since the 6th April 2008, ISAs have changed. The annual allowance has increased and Mini and Maxi Stocks & Shares ISAs as well as PEPs have been reclassified as simply 'Stocks & Shares ISAs'.

You can use your ISA allowance to invest from £5,000 to £7,200. You can only choose this option if you have not already invested in a Stocks & Shares ISA for the tax year 2008/2009.

ISA transfers

You can transfer an existing ISA into the Plan from a minimum value of £5,000 up to a maximum of £1,000,000. If you transfer an existing ISA, your existing ISA Manager may make an exit charge. It may take a few days for the funds to be transferred and during that time your money will be out of the market. You could miss out on any growth in your investment during that time.

ISA income payments

You may elect to have income payments paid to you or retained within your ISA (see application form). ISA income payments are made in January, April, July and October each year.

If you invest before the end of the subscription period, early investment interest will be earned at 4.75% per annum, net of 20% tax in accordance with HMRC rules.

The **minimum investment is £5,000** and the **maximum investment is £1,000,000**. If you wish to invest sums above £1,000,000 please contact your adviser or call Walker Crips Structured Investments on **020 3100 8880** to discuss your requirements.

If you invest before the end of the subscription period, early investment interest will be earned at **4.75% per annum**.

Tax efficiency

The Fixed Income Plan pays annual or quarterly income. If you choose the direct investment option, returns are likely to be subject to income tax. You should consult a Financial or Tax Adviser for further details of your individual tax position.

Direct investment

The returns you may receive on any investment are likely to be classed as income and subject to Income Tax. You should however consult your Financial Adviser regarding your personal circumstances.

Pension investment

If you have invested via a SIPP or SSAS pension scheme, returns are likely to be free of Income Tax and Capital Gains Tax. You should however consult your Financial Adviser regarding your personal circumstances.

ISA investment

If you invest via a Stocks & Shares ISA for 2008/2009, you will not have to pay any tax on any returns on your investment and you will not have to declare any returns on your self assessment tax return. ISAs are a tax-efficient means of investing. It is important to consider that ISA rules could change in the future and that the tax advantages of investing through an ISA may not be maintained.

All information on taxation in this booklet is based on WCSI's understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances.

WCSI will arrange with your existing ISA Manager to receive the transfer proceeds.

Important considerations

When you invest in the Plan, we will use your money to acquire, on your behalf, financial instruments ('securities') which are specifically structured to match the investment objectives of the Plan. The securities will be issued by **Barclays Bank plc**, which currently has an independently assessed credit rating of 'AA' from Standard & Poor's. This rating has remained unchanged since 1994.

As with any similar investment, the security of your Plan depends on the security of the financial institution issuing the securities. An 'AA' rating denotes an institution with a high level of financial strength and ability to meet its obligations. However, if the institution issuing the securities were unable to meet its obligations, you could lose some or all of your investment.

The Plan is designed to provide you with a level of income greater than that provided by interest-bearing savings accounts or government bonds. In order to achieve this level of return, your capital will be put at risk if the FTSE™ 100 Index falls by more than 50% during the term of the investment.

The level of income you will be receiving is fixed (at 7.50% of capital if the annual option is chosen, or 1.825% if the quarterly option is chosen) and is not determined by the level of the Index. This means that you will not benefit if the Index increases by more than the income you receive annually during the term of your investment.

You should also note that you will not be entitled to receive any dividends or other distributions from the companies making up the Index.

All charges are included within the terms of the Plan, however there will be an administration charge of £90 if you wish to exit the Plan early. Early encashment may result in loss of capital.

The Plan MAY be suitable for you if:	The Plan MAY NOT be suitable for you if:
You will not need access to your capital for five years. The Plan is designed to run for five years and you must be prepared to invest for the full Investment Term.	You do not have readily accessible spare cash for emergencies.
You would like to receive an income from your capital.	You may need access to your capital before the Investment End Date in five years' time.
You want the potential for a defined return.	You want to add to your investment from time to time or at regular intervals.
You have a minimum of £5,000 to invest.	You do not want your returns linked to stock market performance.
You are prepared to accept some risk to your capital in return for higher potential returns.	You are not prepared to accept any risk to your capital.

If you are in any doubt as to the suitability of the Fixed Income Plan for your individual situation, you should consult a Financial Adviser. This booklet does not constitute investment advice.

Important points

- Your capital is at risk. You could lose some or all of your capital. Unless you understand these risks and are sure of the suitability of this investment for you, then you should take financial advice.
- You should only invest in this Plan if you do not need access to your money for the full Investment Term of five years. Early encashment may result in loss of capital.
- The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. It does not give you the opportunity for capital growth as it only pays interest at prevailing rates, which can go up or down. If interest rates were to fall, returns from deposit accounts would be low. The Fixed Income Plan gives you the potential to benefit from enhanced returns linked to the FTSE™ 100 Index; however your total return could be lower than you would have received in a deposit account.
- The capital repayment at maturity is dependent on the performance of the FTSE™ 100 Index. The Plan is subject to maximum growth potential and does not invest directly in the shares of the companies in these Indices and therefore does not receive dividends from those companies; as such the returns could be lower than if you invested directly in the shares of FTSE™ 100 Index companies.
- The securities underlying this investment have a fixed Investment End Date and have been specifically structured to match the Investment Objectives of your Plan. The securities will be issued by Barclays Bank plc, which currently has an independently assessed credit rating of 'AA' from Standard & Poor's. This rating has remained unchanged since 1994. There is a risk that the Issuer may fail to meet its obligations, or withhold, defer, reduce or even terminate payments, as a result of which you may receive less than you would otherwise or may have to wait for the proceeds. It is you the investor who faces these risks rather than the Plan Manager, Walker Crips Structured Investments. As with all similar structured investments, you will not have recourse to the Financial Services Compensation Scheme in the event of Issuer insolvency.

This rating has remained unchanged since 1994. These securities have been selected with the Investment Objectives of the Plan in mind.

Can I withdraw my money?

Partial withdrawals from the Plan are not typically allowed but may be accepted at the discretion of the Plan Manager. Therefore, if your circumstances change and you need access to your money, you may have to close your Plan. You can do this at any time but you should be aware that the Plan is designed to be held for the full

five-year Investment Term. Early encashment may result in loss of capital. If you need to close your Plan before the Investment End Date, you can instruct the Plan Manager to sell your holding. The Plan Manager would need to receive any such instruction in writing in order to arrange for the sale to be made. Dealing will take place on the 15th of each calendar month. A charge of £90 will be deducted should you close your plan (or part closure of Plan if permitted) early.

Are you charging me for this investment?

There are no explicit fees or charges for you to pay. All the costs of setting up and administering your Plan have been allowed for in the calculation of returns the Plan is designed to pay.

Are any commissions payable?

If you have a Financial Adviser, he or she will give you information about the cost of advice. Whether you receive advice or not, your Financial Adviser, if you have one, will receive a payment of up to 3% of your initial investment. The cost of this commission has been allowed for in the calculation of the returns from the Plan and no deductions will be made from your investment.

What happens if I die?

If you die before the Investment End Date, the Plan can be closed or transferred to another person. If you die before financial settlement is made, the proceeds can be transferred to another person. Your personal representatives should inform WCSI, and the Plan will be dealt with in accordance with their instructions. Any investments held within an ISA will automatically lose their ISA status on the date of death. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate.

How will WCSI keep me informed of the progress of my investment?

For the tax year 2008/2009, you must not have subscribed and may not subscribe to another Stocks and Shares ISA in the same tax year. You may, however, invest in a Cash ISA in the same tax year if you have not used the maximum ISA allowance of £7,200 in your Stocks and Shares ISA. The maximum you can invest in a Cash ISA is £3,600. The maximum you can invest in a combination of a Stocks and Shares ISA and a Cash ISA is £7,200 per tax year. Individuals can transfer money saved in Cash ISAs into Stocks & Shares ISAs without affecting their annual Stocks & Shares ISA allowance. Cash ISAs transferred in this way will lose their Cash ISA status and will form part of your accumulated Stocks & Shares ISAs.

5. You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the Regulations, an ISA has, or will, become void.

6. The Plan Manager shall not accept any further amounts into an ISA Account if the Regulations no longer give you the right to invest in that ISA Account.

7. The Plan Manager will hold any cash in your Plan in a sterling deposit client account or accounts in accordance with the FSA Handbook. All client account money will be segmented from the funds belonging to the Plan Manager. Therefore, in the event of insolvency or default by the bank, any shortfall in client money may be shared pro rata among all clients.

Except as stated below, interest will not be paid on monies held within client accounts. For the avoidance of any doubt no interest is payable on client money held after the Maturity Date or following an early withdrawal from the Plan. Interest will begin to accrue four business days after the date of receipt of your cheque and will be payable at rate of 4.75% p.a. up to and including 10th December 2008. The amount of interest invested or reinvested will be rounded down to the nearest whole number of pounds and the balance retained by the Plan Manager. It will be credited once on a simple interest basis.

8. If you elect to retain your income payments received from the Plan within your ISA Account, these monies will earn interest. Walker Crips Base Deposit Interest Rate is calculated by taking the mean of all rates applicable to deposits placed with UK Banks and Building Societies by Walker Crips and from which ¼ of one percent is deducted as the Walker Crips administration fee. The current Walker Crips Base Deposit Interest Rate is available on request. Where specified interest on cash balances will attract interest at the Walker Crips Base Deposit Interest Rate less a deduction dependent on the balance of the deposit. Balances below £5,000 attract interest at the Walker Crips Base Deposit Interest Rate less 2%.

9. On the Investment Start Date, the Plan Manager will purchase Investments for your Plan. The Investments will be securities with a fixed maturity. These securities will be either; units, warrants, shares, preference shares, debt securities or bonds which have been specifically structured to match the Investment Objective of your Plan. The Plan will be debited immediately after Investments are purchased on your behalf and the Plan Manager will not be obliged to account for any interest earned pending settlement. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.

10. Under the terms of the Plan, the Investment End Date will occur on 10th December 2013. This is explained in the brochure to which these Terms and Conditions are attached, entitled 'The Fixed Income Plan,' under the section headed 'Conditional Capital Protection'. The Investments in your Plan will mature on the Maturity Date. The Investments are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with your Investment Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the initial capital investment originated. Should this occur, you will be informed in writing by the Plan Manager. You should note that once the Plan has matured, the proceeds from the Plan do not earn interest if held by the Plan Manager.

11. For UK residents, the proceeds of an ISA Account will not be subject to either UK income tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. Where Investments are held through the Direct Account you may be subject, depending on your personal circumstances, to UK tax on any income paid or any capital gain arising on disposal. These statements are based on current legislation, regulations and practice, all of which may change.
12. The Principles for Businesses of our regulator, FSA, say that a firm must manage conflicts of interest fairly, both between itself and its customers and between one customer and another. Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, commissions, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.
13. Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
14. Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Fixed Income Plan.
15. The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, willful default or fraud on the part of the Plan Manager or the Nominee.
16. At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FSA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.
17. The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your ISA Account and/or your Direct Account.
18. The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the negligence or misconduct of any such agent or delegate, except where it has been negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FSA Handbook, the Plan Manager may be subject.
19. The Plan or any Account comprised in it may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the Regulations or you are in breach of the Regulations.
20. The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
21. The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions or are in breach of any of these Terms and Conditions.
22. The Plan Manager may terminate the Plan at any time by giving three months' notice to you to that effect.
23. You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or, for an ISA Account, to be transferred to another ISA manager. Such notice must be received no later than close of business two days prior to the next Dealing Date. Early encashment may result in a loss of capital. There will be a restricted market in the sale of Investments.
24. Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your Plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.
25. On your death, your ISA Account will lose its ISA status immediately and your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees.

26. The returns which you are due to receive, in accordance with your Investment Objective, are net of all anticipated charges and expenses (excluding any tax that you may be liable to pay, or charges we may reasonably require you to pay in respect of significant taxation changes). The charges exclude any such tax or charges for taxation changes, but include commission which may be paid to any financial adviser who arranged the investment. No other charges are anticipated. The charges for this product are approximately 6%, taken on the Investment Start Date, although if the Plan Manager has to buy further investments to meet additional demand this figure may vary. This would not affect the returns described in this brochure. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.
27. The Plan Manager may vary these Terms by giving you reasonable written notice:
- (a) to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FSA Rules (or the way they are applied);
 - (b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
 - (c) in order to manage your Plan more effectively, or to introduce additional facilities or options within your Plan.
- The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.
28. Notices will be duly given by the Plan Manager if sent to the last address notified to the Plan Manager by the Investor.
29. The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:
- (a) for any default by the Issuer;
 - (b) for any default by any securities depository with whom your Investments are deposited;
 - (c) for any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or willful default by the Plan Manager or any Associated Company;
 - (d) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - (e) for the acts or omissions of any professional adviser who arranged your investment in a Plan. The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting your Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that your Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Plan Manager is in default. No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FSA Rules.
30. If a market disruption event occurs on a Scheduled Trading Day, we may postpone taking the level of the Index on the day on which such event occurs; use a different day/time for the valuation of the Index as appropriate; or use a reasonable alternative method of calculating or estimating the value of the Index. Market disruption events include the calculation or publication of the Index level by the Index Sponsor on a Scheduled Trading Day being disrupted, altered or delayed or a disruption occurring to the London Stock Exchange, and/or the LIFFE.
31. If an extraordinary event occurs, we will use all reasonable efforts to select an appropriate substitute index (or indices). Extraordinary events include, but are not limited to, a fundamental change to the method of calculation of the Index, the Index not being published for 30 consecutive days or the announcement that publication of the Index is to cease. If no substitute index (or indices) can be found, we will act in a commercially reasonable manner to determine whether and how to adjust the Index or to determine a successor index.
32. You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Direct Account, ISA Account and its investments which HM Revenue & Customs may reasonably request at any time.
33. At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.
34. The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you wish, however, you may request the Plan Manager to arrange for you to attend (and vote at) meetings of holders of securities in relation to Investments in a Plan which is an ISA, to the extent that this is permitted by the terms of the relevant instrument for the Investments concerned. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.
35. At your request, the ISA Account may be transferred to another ISA manager.
36. Partial withdrawals or partial transfers may be permitted.
37. For your security and for training and monitoring purposes telephone conversations may be recorded.
38. The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with the FSA Handbook, for a period of 6 years. (Interest will not be paid on such funds). The Investor consents to any money held in a client account for more than 6 years being released and no longer treated as client money in accordance with the client money regulations of the FSA Handbook.

39. In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.
40. Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.
41. These Terms and Conditions shall be governed by English Law and will become effective on acceptance by the Plan Manager of your signed Application Form. The Plan Manager will write and speak to you in English throughout the duration of your investments. The Plan Manager will treat you as a retail customer for the purposes of these Terms and Conditions.
42. The value of the investments and the income from them may fall as well as rise due to market movements and, where applicable, exchange rate fluctuations.
43. The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.
44. If you make a valid claim against the Plan Manager or your Financial Adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered for 100% of the first £30,000 and 90% of the next £20,000, so the maximum compensation is £48,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FSA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.
45. Any complaint about any aspect of the service received should be made to The Compliance Department 2nd Floor, Finsbury Tower, 103 – 105 Bunhill Row, London EC1Y 8LZ, United Kingdom 020 3100 8880. If your complaint is not dealt with to your satisfaction, you can complain to the Investment Division, Financial Ombudsman Service, South Quay Plaza, 183 Marsh Wall, London E14 9SR.
