

Fixed Income Plan

Issue 7

Plan Summary

The Fixed Income Plan provides you with quarterly payments of 1.00% of your Initial Capital every three months for a five year period.

Your income payments are fixed and will not be affected by the performance of the FTSE 100 Index during the Investment Term.

Income payments will be paid into your Walker Crips account, on the 9th day of each March, June, September and December every year throughout the Investment Term. Income payments will be either retained on your Walker Crips account or paid into your bank account depending on which option you have chosen.

The risk to your Capital

The return of your Initial Capital at the end of the five year Investment Term will depend on the performance of the FTSE 100 Index between its Initial Index Level and its Final Index Level.

If the Final Index Level is at or above 60% of the Initial Index Level, you will receive 100% of your Initial Capital.

If, however, the Final Index Level is below 60% of the Initial Index Level your Initial Capital will be reduced by 1% for every 1% the Final Index Level is below the Initial Index Level.

Capital Return

Return of Capital, less any reduction if applicable, will be applied to your Walker Crips Account within 10 business days of the Investment End Date, subject to timely receipt of maturity proceeds from the Issuer.
