Plan overview

The objective of this Plan is to provide you with a defined capital growth amount which is dependent on the performance of the FTSE™ 100 Index.

The Investment Term is six years but the Plan may mature early.

The Counterparty of the Plan is Societe Generale (SG).

Counterparty risk is reduced through the use of Collateral. SG will provide Collateral that will be held with an independent custodian, which in the event SG defaults, will be sold to recover the value of your investment.

The Plan is linked to the performance of the FTSE™ 100 Index and the solvency of four UK institutions; 'the UK Four'.

Your capital is at risk if the FTSE™ 100 Index closes below 50% of its Initial Index Level on any day throughout the Investment Term.

Your capital is at risk if any of the UK Four default or become insolvent throughout the Investment Term.

Before investing, it is important that you read this brochure and the Terms and Conditions included. You should consider the risks carefully and consult your Financial Adviser in order to ensure the Plan is suitable for you and your financial situation.

When you invest in the UK Kick-out Plan, you may receive capital growth of 10% for each year of your investment depending on the performance of the FTSE™ 100 Index.

Your investment has the potential to mature early (kick-out) and pay back your Initial Capital plus a defined capital growth amount on any anniversary date from the second year onwards.

Where the performance of the FTSE™ 100 Index has not activated an early maturity and the Plan runs to the full six year term, there is the potential for a fixed payment of 60% if the FTSE™ 100 Index is at the same level, or higher, than its Initial Index Level on the Investment End Date

There may be a reduction in your capital returned if the Closing Level of the FTSE™ 100 Index has fallen below 50% of its Initial Index Level on any day during the Investment Term.

The Closing Level of the FTSE™ 100 Index on the 4 October 2013 (Initial Index Level), will be compared with its Closing Level on each anniversary date listed below.

If the Plan has not matured early, the return of your Capital at the end of the term depends on the performance of the FTSE™ 100 Index.

Where the Plan has not matured early and runs to the full six-year term, the return of your Initial Capital and any potential capital growth will depend on the performance of the FTSE™ 100 Index between its Initial Index Level (the Closing Level of the FTSE™ 100 Index on 4 October 2013) and its Final Index Level (the Closing Level of the FTSE™ 100 Index on 4 October 2019).

Where the Final Index Level is at or above the Initial Index Level you will receive 100% of your Initial Capital plus capital growth of 60% irrespective of the performance of the Index during the Investment Term.

Where the Final Index Level is below the Initial Index Level, and the Index has not closed below 50% of the Initial Index Level on any day during the six year term, you will receive 100% of your Initial Capital with no reduction, but no capital growth.

Where the Final Index Level is below the Initial Index Level, and the Index has closed below 50% of the Initial Index Level on any day during the six year term, there will be a reduction in Capital repayment. Your Initial Capital will be reduced by 1% for every 1% the Final Index Level is below the Initial Index Level.

The table below illustrates, if the Plan has not matured early, how the return of your Initial Capital and any potential capital growth will be affected by the Final Index Level on 4 October 2019.

Where is the Final Index Level in relation to its Initial Index Level? %	The Index has never closed below 50% of its Initial Index Level on any day during the Investment Term.			The Index has closed below 50% of its Initial Index Level on any day during the Investment Term.

The FTSE™ 100 Index

Your money is not invested directly into the FTSE™ 100 Index. However, as the return of your investment is dependent on the performance of the FTSE™ 100 Index, it is important to understand what it is and how it could affect your money.

The FTSE™ 100 Index is a share index representing the performance of 100 of the UK's largest companies. It includes many household names such as GlaxoSmithKline, Tesco and Vodafone. It is a price index which means that it is based solely on share prices and does not take into account returns from dividends.

If the plan has not matured early and the FTSE™ 100 Index is below its Initial Index Level on the Investment End Date you will receive back less than your Initial Capital if the Index has closed below 50% of its Initial Index Level on any day during the term.

The graph below shows the FTSE™ 100 Index performance over the past 20 years.

Based on **an example**, if the Closing Level of the FTSE™ 100 Index on 4 October 2013 (Initial Index Level) was 6,600, the kick-out level required on each relevant anniversary date would therefore be 6,600. Capital would be at risk if the FTSE™ 100 Index closed below 3,300 on any day during the investment term.

Please note, this is only an example as the Initial Index Level will not be set until the Investment Start Date of the Plan on 4 October 2013.

The Index can fall as well as rise and past performance is not a reliable indicator of future performance.

The Plan is subject to a maximum capital growth and therefore the return you receive could be lower than if you invested directly in the shares of the companies which comprise the FTSE™ 100 Index. Additionally, you will not receive dividends from those companies.

Although the underlying investments of the Plan are provided by Societe Generale, your investment is exposed to the credit risk of four UK institutions.

Counterparty Risk

As Plan Manager, Walker Crips will acquire, on your behalf, securities that are specifically structured to match the investment objectives described in this brochure. These securities will be Medium Term Notes (a type of corporate bond) that are issued by SG Issuer and guaranteed by Societe Generale.

Although the securities are provided by SG, the risk to your Capital from the potential default or insolvency of SG is significantly reduced through the use of collateral.

In order to reduce the counterparty risk of SG, a pool of assets, known as ‘Collateral’ will be provided by SG. The Collateral is held with The Bank of New York Mellon who act as an independent custodian. The type and value of Collateral is monitored daily by The Bank of New York Mellon to ensure that it is sufficient to recover the value of your investment.

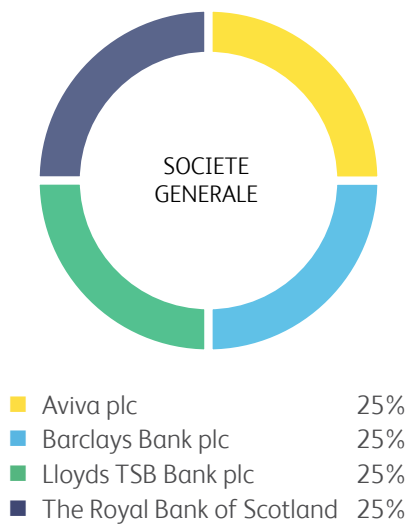

In the event SG were to default, or become insolvent, this Collateral will be sold and the proceeds will be used to return the value of your investment at that time. This may be before the Investment End Date or relevant anniversary date, and due to daily changes in the value of the Collateral, this means you may get back less than you invested.

The UK Four

The Plan is exposed to the credit risk of four major UK institutions (‘the UK Four’); Aviva plc, Barclays Bank plc, Lloyds TSB Bank plc, and The Royal Bank of Scotland plc. The investment risk is equally spread across these four institutions, which means 25% of your investment is at risk should anyone of them default or become insolvent. If all four were to default or become insolvent, your entire investment would be at risk at Maturity.

At Maturity, the final value of your Plan will be calculated. If one of the UK Four has defaulted or become insolvent, 25% of the final value will be at risk. The precise amount you will receive will depend on the Recovery Rate assigned to the affected UK Four institution at the time. Please see page 12 for further details.

Payment of the recovered amount may be after the Maturity Date if no Recovery Rate is available when the Plan matures.

Credit Ratings

As the risk to your capital is linked to the solvency of the four UK institutions; Aviva plc, Barclays Bank plc, Lloyds TSB Bank plc and The Royal Bank of Scotland, it is important to understand and assess their credit ratings. These can be used to determine the financial strength of an institution and their likelihood of default.

Standard & Poor's is an independent credit rating agency and uses a scale to denote creditworthiness ranging from "AAA" (highest) to "D" (lowest). Issuers within the "A" rating band are described by Standard & Poor's as having strong capacity to meet their financial commitments, but are more susceptible to the adverse effects of changes in circumstances and economics conditions than those issuers rated 'AAA' or 'AA'.

A Standard & Poor's rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions.

If a rating is qualified with a 'stable' outlook it suggests that a rating is not likely to change. A 'negative' outlook means that a rating may be lowered.

Although the risk to your capital is linked to the UK Four, neither the Plan or the underlying securities are endorsed by these firms. They have not entered into any financial commitment with the Plan and are under no obligation to undertake any regulated activity in relation to the Plan.

S&P Credit Ratings of the four UK Institutions

The UK Four	S&P Rating	S&P Outlook
Aviva plc	A-	Stable
Barclays Bank plc	A	Stable
Lloyds TSB Bank plc	A	Negative
The Royal Bank of Scotland plc	A	Negative

The Counterparty

Societe Generale	A	Negative

For more information on credit ratings or other methods of assessing the strength of an institution, please consult your Financial Adviser.

You should consider these important points and consult a Financial Adviser on the suitability of the SG UK Kick-out Plan for your individual situation. This brochure does not constitute investment advice.

The Plan MAY be suitable for you if:

- ❖ You can afford to lose some or all of your Capital.
- ❖ You will not need access to your Capital for six years.
- ❖ You would like to potentially receive growth from your Capital.
- ❖ You do not need income from your Capital.
- ❖ You want the potential for a defined return.
- ❖ You have a minimum of £10,000 to invest.
- ❖ You want your returns linked to stock market performance.

The Plan MAY NOT be suitable for you if:

- ❖ You cannot afford to accept any risk to your Capital.
- ❖ You do not have readily accessible spare cash for emergencies.
- ❖ You need income from your Capital over the next six years.
- ❖ You may need access to your Capital before the Investment End Date in six years' time.
- ❖ You want to add to your Investment from time to time or at regular intervals.
- ❖ You do not want your returns linked to stock market performance.

- Your Capital is at risk and you could lose some or all of your Capital. Unless you understand these risks and are sure of the suitability of this investment for you, then you should take financial advice.
- You should only invest in this Plan if you do not need access to your money for the full Investment Term of six years. Early withdrawal may result in loss of Capital.
- The Plan is designed to provide you with the potential for a fixed level of return which is dependent on the performance of the FTSE™ 100 Index. In order to achieve this level of return, your Capital will be put at risk. If the FTSE™ 100 Index closes below 50% of the Initial Index Level on any day during the investment term you could lose some or all of your investment.
- The Plan is subject to maximum growth potential and does not invest directly in the shares of any FTSE™ 100 companies and therefore does not receive dividends from those companies; as such the returns could be lower than if you invested directly in the shares of the Index.
- If SG was to default or become insolvent, the Plan will terminate immediately. The amount that you receive back for your investment will depend on i) the market value of your Investment at that time and on ii) the value of the Collateral Assets at the time of default and you may receive back less than your Initial Capital.
- If any one of the UK Four was to default or become insolvent during the Investment Term, 25% of your investment will be at risk for each of the UK Four institutions that has defaulted or become insolvent. The amount that you receive back will depend on the Recovery Rate (if any) defined for each affected UK Four institutions.
- In the case of one of the UK Four defaulting or becoming insolvent, re-payment of your initial investment and any return generated by the Plan may be delayed if no Recovery Rate is available at the Maturity Date of the Plan.
- As with all similar structured investments, in the event of Counterparty or Issuer insolvency or default of any of the UK Four, you will not have recourse to the Financial Services Compensation Scheme. It is you the investor who faces these risks rather than the Plan Manager, Walker Crips Structured Investments.
- The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your money. The UK Kick-out Plan gives you the potential to benefit from enhanced returns linked to the FTSE™ 100 Index; however your total return could be lower than you would have received in a deposit account.

There are a number of ways you can invest in the Plan, some of the options may be more tax-efficient for you with careful planning.

Direct investment

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Capital Gains Tax under present legislation. This means that you may be able to use your annual Capital Gains Tax exemption to reduce or eliminate the tax charge on any returns from this Plan. You should be mindful where you may have realised other investment gains, as the exemption applies to all of your taxable gains over the whole tax year.

ISA investment

You can use your ISA allowance to invest from £10,000 to £11,520 for the 2013/14 tax year, provided that you have not already opened a Stocks and Shares ISA for the period 6 April 2013 to 5 April 2014.

You can also transfer an existing ISA provided the total value of ISA transfers is at least £10,000. There is no maximum limit for ISA transfers.

Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

Other arrangements

The Plan is also eligible for most trust, corporate and charity investment. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

All information on taxation in this brochure is based on Walker Crips' understanding of UK tax legislation at the time of writing. Tax rules are subject to change and the value of tax reliefs will depend on your individual circumstances. Please note that Walker Crips does not provide tax advice and you should consult your Financial or Tax Adviser for further details of your individual tax position.

Having read and accepted the brochure and all of the Terms and Conditions of the UK Kick-out Plan, complete the application form that accompanies this brochure for either a direct or ISA investment. Additional application forms for pensions, trust, corporate and charity investments are available on request.

What happens if one of the UK Four defaults or becomes insolvent?

At maturity, the final value of your Plan will be calculated. If one of the UK Four has defaulted or become insolvent, 25% of the final value will be at risk at Maturity, 75% will remain unaffected. In order to determine how much of the 25% proportion can be recovered, the value of the affected 25% proportion will be multiplied by the Recovery Rate. The Recovery Rate may be zero, and therefore it may not be possible to recover any of the affected 25% proportion. If the Recovery Rate is not available for the affected UK Four institution on the Plan Maturity Date, you may not receive any payment until after the Maturity Date of the Plan.

For example, based on an investment of £10,000; if the final value of the Plan was £10,000 and the Recovery Rate of the UK Four institution which defaulted was determined to be 50%, there would be a deduction of £1,250 (50% of £2500). In this example, you would therefore receive back £8,750, which represents 75% of the unaffected proportion of the Plan (£7,500), plus 50% of the 25% affected proportion (£1,250).

When is one of the UK Four deemed to have defaulted or become insolvent?

A Bank or institution is typically deemed to have defaulted or become insolvent when an independent committee of creditors (The ISDA Credit Derivatives Determinations Committee) or, in the absence of such committee, Societe Generale based on publicly available information, has determined that the Institution has been affected by a credit event which shall include, but is not limited to, any of the following situations:

- a) the institution is unable to pay its debts as they fall due;
- b) a liquidator or administrator or other similar officer has been appointed in relation to such institution;
- c) any insolvency proceedings are taken with respect to the Institution;
- d) the institution has decided to restructure its debts and has entered into a voluntary arrangement or a scheme of arrangement with its creditors.

How is a Recovery Rate calculated?

The Recovery Rate is calculated by a committee established by The International Swaps and Derivatives Association (ISDA). In the unlikely event this committee fails to determine the Recovery Rate, Societe Generale will seek quotations from at least two leading dealers to determine the Recovery Rate. If no Recovery Rate can be established, the final Recovery Rate will be deemed to be zero.

Who is eligible to invest?

Anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes may invest in the Plan. There is no upper age limit. Direct investments may be in joint names. The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the terms of the arrangement permit Investments of this type.

How can I see a copy of the prospectus?

In addition to this brochure, further information is available in the Prospectus which contains the full information and contractual terms for the securities. If you, or your adviser, would like to review the Prospectus before investing, an electronic copy is available on request from Walker Crips Structured Investments.

How will I be kept informed of the progress of my investment?

When your application and payment are received, we will write to you with details of your Plan. We will send you statements twice a year until the Investment End Date so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880 and prices will be published on our website at www.wcgplc.co.uk/wcsi.

Can I change my mind?

Yes. When your Application Form is received, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Investment Start Date, then you will receive your investment back in full with any accrued interest (if applicable). If this is after the Investment Start Date then we will sell your holding and return the proceeds to you. You may get back less than you invested.

What is the early investment interest?

Walker Crips will pay interest on investments received up to the Investment Start Date from the date on which your cheque clears to and including the Investment Start Date. You will receive interest on your Initial Capital at a rate equivalent to the Walker Crips interest rate (currently 0.10% per annum). This interest will not be applied to your investment, but will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1. Please note that the interest may be subject to tax, depending on your personal circumstances. The Walker Crips interest rate is subject to change at any time.

Can I transfer my investments?

It is possible to transfer your Investments to another plan manager or custodian. Should you wish to request a transfer you should ensure that the plan manager or custodian accepts transfers of this type. There will be a transfer charge (see page 14) and you may also be charged by the new plan manager or custodian.

Can I withdraw my money?

If your circumstances were to change and you needed access to your money, you may have to close your Plan. You can do this at any time but early encashment may result in loss of Capital, particularly in the early years of the Plan. Partial withdrawals from the Plan may be accepted at the discretion of the Plan Manager. If you need to close your Plan before the Investment End Date, you can instruct the Plan Manager to sell your holding. The Plan Manager would need to receive any such instruction in writing in order to arrange for the sale to be made. The amount you will receive will be determined by the market value of the underlying securities which are held on your behalf under the Plan. During the investment term this value may go up or down. An early withdrawal charge (see page 14) will be deducted should you close your Plan (or part of your Plan, if permitted) early.

What happens at the end of my investment?

Shortly before the Investment End Date, we will write to you regarding your options. You will normally receive financial settlement within 14 business days of the Plan maturing, provided that you complete and return the relevant documentation. Provision of proceeds from the Plan are dependent upon the Plan Manager's timely receipt of maturity proceeds from the Issuer. It may be possible to transfer the proceeds of the Plan into a new investment.

What happens if I die?

If you die before the Investment End Date, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips, and the Plan will be dealt with in accordance with their instructions. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. There will be a charge levied for valuations for probate (see page 14). Please note that an early encashment (further to an early closing of the Plan) may result in loss of Capital, particularly in the early years of the Plan.

What fees are payable?

Your Financial Adviser will give you information about any fees that are charged. Those fees can either be settled directly with your adviser, or we can deduct the fee from the amount you invest and pay this amount to your adviser.

What are the charges for this investment?

The costs associated with marketing, distribution and administering of the Plan have been allowed for in the calculation of returns the Plan is designed to pay. These charges are not expected to exceed 1.70%.

There will be no charges to transfer cash proceeds from an investment at maturity. However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

Instance	Charge
If you wish to sell your holding and encash your Plan prior to maturity.	£90.00
If you wish to transfer your holding to another plan manager or custodian prior to maturity.	£90.00
If you wish to transfer your ISA holding to another ISA manager prior to maturity.	£90.00
If we are requested to value your holding for Probate.	£30.00 per holding (maximum £150.00)
If you require any proceeds to be forwarded by same day transfer. (CHAPS)	£15.00

Please note we do not make any additional charges to transfer your cash by either standard electronic transfer (BACS) or by cheque.

How do I make a complaint?

If you wish to complain about any aspect of the service you have received from us, you may do so in writing to:

Compliance Department, Walker Crips Stockbrokers Ltd, Finsbury Tower, 103–105 Bunhill Row, London EC1Y 8LZ Alternatively, you can call 020 3100 8880.

If you are not satisfied with the way Walker Crips handle your complaint, you may be entitled to take your complaint to the Financial Ombudsman Service at South Quay Plaza, 183 Marsh Wall, London E14 9SR, (tel) 0845 080 1800. Please note that making a complaint will not prejudice your right to take legal proceedings.

Are there compensation arrangements?

Before the Investment Start Date, and when the Plan matures, your cash will be held in a client money account with an FCA regulated bank. This cash is protected in accordance with the Financial Conduct Authority's client money regulations. In the event that Walker Crips Stockbrokers Limited (the Plan Manager) becomes insolvent, your cash cannot be accessed by our creditors or the bank itself. If the bank holding your cash becomes insolvent, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). The maximum compensation limit for cash accounts is currently £85,000 per person, per authorised institution. You should be aware, though, that all of your balances with any particular bank, including your personal accounts, would be aggregated in the event that the compensation scheme was triggered.

You do not have the right to claim compensation against Walker Crips, or from the FSCS, in relation to poor investment performance of the underlying securities of the Plan. Equally, if SG or any of the UK Four defaults or becomes insolvent, you will not be entitled to claim compensation. However, in other circumstances where you may be entitled to make a valid claim against the Plan Manager or your Financial Adviser and they are unable to meet their liabilities in full, the maximum compensation limit for investments is currently £50,000 per person.

For further information about the scheme contact the Financial Services Compensation Scheme, 10th Floor, Beaufort House, 15 St. Botolph Street, London EC3A 7QU. Or visit the FSCS website at www.fscs.org.uk.

The Plan Manager provides the Plan to you on the following Terms and Conditions (of which the Application Form is a part):

1. On the receipt of a duly completed Application Form and cheque (or banker's draft, telegraphic transfer or any other means acceptable to the Plan Manager) the Plan Manager may accept your application subject to these Terms and Conditions. The Plan Manager reserves the right to reject an application for any reason. The Plan is not available to US Persons. The Plan Manager will give you the right to cancel your Plan within 14 days of the Plan Manager's acceptance of your Application Form. You will be informed of your right to cancel in documents that the Plan Manager sends you at the relevant time. Alternatively you can write to Walker Crips Structured Investments, Finsbury Tower, 103-105 Bunhill Row, London EC1Y 8LZ. If you do so, please provide your name and address and the account number with clear instructions to cancel your investment.

If the Plan Manager receives your cancellation notice after the Investment Start Date, it will return to you any cash subscriptions in the Plan, with any accrued interest, less an allowance for a reduction in the market value of the Investments if applicable. You might not get back the amount originally invested in the Plan.

Where you do not exercise your cancellation rights, or you do not exercise them within the period allowed for, the Plan will continue in line with the Terms and Conditions.

2. We will classify you as a retail client as defined in the FCA Handbook, unless we inform you otherwise.
3. All transactions relating to this Plan are covered by the Proceeds of Crime Act 2002 and the Money Laundering Regulations 2007 (as amended from time to time) and the guidance notes provided by the Joint Money Laundering Steering Group. The Plan Manager is responsible for compliance with these regulations. You may be asked for proof of identity and evidence of address when investing or on early withdrawal or maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.
4. You must subscribe to your ISA Account with your own (or your spouse's) cash or by transfer of cash from an existing ISA account. Transfers of cash from existing ISA accounts will normally be arranged with the existing ISA managers. Once the cash from the existing ISA accounts has been transferred, your Account will be subject to these Terms and Conditions. In respect of an ISA transfer, a cancellation notice will be sent to you after the funds are received from your previous ISA manager. If, following an ISA transfer you cancel your ISA Account, you may lose the favourable tax treatment applicable. The Plan Manager reserves the right to withhold any amounts under £1 which cannot be applied to the Plan. The remaining pence will not be returned to you.
5. Individual Savings Accounts ('ISAs') can be either a Stocks and Shares ISA or a Cash ISA. The Plan is only eligible for Stocks and Shares ISA subscription. For the tax year 2013/2014, you must not have subscribed and may not subscribe to another Stocks and Shares ISA in the same tax year. You may, however, invest in a Cash ISA in the same tax year if you have not used the maximum ISA allowance of £11,520 for the tax year 2013/2014 in your Stocks and Shares ISA. Individuals can transfer money saved in Cash ISAs into Stocks & Shares ISAs without affecting their annual Stocks & Shares ISA allowance. Cash ISAs transferred in this way will lose their Cash ISA status and will form part of your accumulated Stocks & Shares ISAs.
6. You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the Regulations, an ISA has, or will, become void.
7. The Plan Manager shall not accept any further amounts into an ISA Account if the Regulations no longer give you the right to invest in that ISA Account.
8. The Plan Manager will hold any cash in your Plan in a sterling deposit client account or accounts in accordance with the FCA Handbook. All client account money will be segregated from the funds belonging to Walker Crips Stockbrokers Ltd. Therefore, in the event of insolvency or default by the bank, any shortfall in client money may be shared pro rata among all clients.
9. Early investment interest will be paid on subscriptions received prior to the closing date. Interest will begin to accrue once your cheque clears at the Walker Crips interest rate (currently 0.10%) per annum, up to and including the Investment Start Date. The amount of interest will be paid into your Walker Crips Account. No interest will be credited if the interest amount is less than £1 in any quarter. Interest will be credited gross, however, you may be liable for tax, depending on your personal circumstances.

10. Other cash balances held in your Plan will earn interest at the prevailing Walker Crips rate. The current Walker Crips interest rate scales are available on request. No interest will be credited if the interest amount is less than £1 in any quarter. The interest rate payable will not be lower than 0%.
11. Your investment in the Plan includes an agreement to purchase Investments for your Account. These Investments are securities, which have been structured with a view to meeting the Investment Objective of the Plan. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.
12. The Investments in your Plan will be exercised or mature on the Maturity Date. The Investments are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with the Investment Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the Initial Capital investment originated. Should this occur, you will be informed in writing by the Plan Manager.
13. For UK residents, under current legislation, the proceeds of an ISA Account will not be subject to either UK income tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. Where Investments are held through a Direct Account, you may be subject, depending on your personal circumstances, to UK tax on any income received or any capital gain arising on disposal. These statements are based on current legislation, regulations and practice, all of which may change.
14. The Principles for Businesses of our regulator, the FCA, say that a firm must manage conflicts of interest fairly, both between itself and its customers and between one customer and another. Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.
15. Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.
16. Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Plan.
17. The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, wilful default or fraud on the part of the Plan Manager or the Nominee.
18. At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FCA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.
19. The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your Account.
20. The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the negligence or misconduct of any such agent or delegate, except where it has been

negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FCA Handbook, the Plan Manager may be subject.

21. The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the FCA Handbook or Regulations or if you are in breach of the Regulations.
22. The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.
23. The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions.
24. You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or to be transferred to another plan manager. Such notice must be received no later than close of business two days prior to the next Dealing Date. If a Dealing Date is not a Scheduled Trading Day, we will sell your holding on the following day which is a Scheduled Trading Day. There will be a restricted market in the sale of Investments. Early encashment may result in a loss of Capital. An early withdrawal fee of £90 will be charged.
25. Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your Plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.
26. On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees. A maximum charge of £150 will be levied for valuations for probate.
27. The returns which you are due to receive in accordance with the investment objective are net of all anticipated charges & expenses. The charges exclude any such tax or charges for taxation charges, and any fees agreed with your adviser to be deducted from your Initial Capital. The total charges for this product are taken on the Investment Start Date. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.
28. The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting the Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that the Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Counterparty is in default. Investors needing a fuller understanding of the detailed risks under the Investments are referred to the Prospectus for the securities (a copy of which shall be made available upon request from the Counterparty or the Plan Manager). No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FCA Rules.
29. The Plan Manager may vary these Terms by giving you reasonable written notice:
 - a) to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FCA Rules (or the way they are applied);
 - b) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or
 - c) in order to administer your Plan more effectively, or to introduce additional facilities or options within your Plan.

The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.

30. Notices will be duly given by the Plan Manager and sent to the last address notified to the Plan Manager by the Investor.
31. The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:
 - a) for any default by the Issuer or the UK Four;
 - b) for any default by any securities depository with whom your Investments are deposited;
 - c) for any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or wilful default by the Plan Manager or any Associated Company;
 - d) for any adjustments or terminations provided for in the Terms of the Investments as described in these Terms & Conditions.
 - e) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
 - f) for the acts or omissions of any professional adviser who arranged your investment in a Plan.
32. If a market disruption event, Extraordinary Event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Investments in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner. This may include termination of the Investments.

Market disruption events include, but are not limited to, the calculation or publication of the Index level(s) by the relevant Index Sponsor on a Scheduled Trading Day being disrupted, altered or delayed.

Extraordinary Events include, but are not limited to, a fundamental change to the method of calculation of the Index or Indices, a relevant Index not being published for 30 consecutive days, or the announcement that the publication of a relevant Index is to cease.

Examples of adjustments that may need to be made include, but are not limited to: postponing taking the level of a relevant Index on the date which such event occurs, using a reasonable alternative method of calculating or estimating the value of a relevant Index or selecting an appropriate substitute index.

33. In accordance with Data Protection legislation we will handle all information we obtain about you in the course of providing our services, lawfully and fairly in accordance with our position as a data controller. You agree that we may disclose this information solely to either other data controller entities within the group (and our agents provided they have similar obligations in respect of data processing) or, and without reference to you, to other financial services institutions seeking to verify your identity for anti-money laundering purposes.

You agree that we may, as we consider necessary, make enquiries, obtain references and undertake electronic verification checks on any data you provide to us. We may record the results and use the information obtained to help us comply with UK regulations on identifying clients, reporting fraud and market abuse or to report other suspected breaches of UK financial services legislation.

34. You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Account and its investments which HM Revenue & Customs may reasonably request at any time.
35. At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment account for more than six years being released and no longer treated as client money in accordance with the client money regulations of the FCA Handbook.
36. The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.

37. For your security and for training and monitoring purposes telephone conversations may be recorded.
38. The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with the FCA Handbook, for a period of six years. (Interest will not be paid on such funds). The Investor consents to any money held in a client account for more than six years being released and no longer treated as client money in accordance with the client money regulations of the FCA Handbook.
39. In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.
40. Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.
41. These Terms and Conditions shall be governed by English Law and will become effective on acceptance by the Plan Manager of your signed Application Form. The Plan Manager will write and speak to you in English throughout the duration of your investments.
42. The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.
43. If you make a valid claim against the Plan Manager or your Financial Adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered, the maximum compensation is £50,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FCA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.

Explanatory notes

- The Joint Money Laundering Steering Group (JMLSG) guidance notes provide guidance on when a firm can apply Simplified Due Diligence.
