## Plan overview

The Investment Term is six years but the Plan may mature early.

The objective of this Plan is to provide you with quarterly income payments which are dependent on the performance of the FTSE 100 Index and the EURO STOXX 50® Index.

The Plan may mature early (kick-out), from the second anniversary, and quarterly thereafter.

Your Capital is not protected and you may lose some or all of your investment.

If, at the end of the Plan, the level of either the FTSE 100 Index or the EURO STOXX 50® Index is more than 40% below the level at the start of the Plan, you will receive back significantly less than you invested.

The Counterparty of the Plan is Societe Generale (SG).

Your Capital and potential income payments are at risk if SG were to fail, e.g. become insolvent, during the Investment Term. Please see page 11 for further details.

**We can only accept applications to invest in the Plan on the basis that a recommendation has been provided to you by a financial adviser. Before investing, it is important that you read this brochure and the Terms and Conditions included. You should consider the features and the risks carefully and consult your financial adviser to ensure this investment is suitable for you and your financial situation.**

The offer period may close early if the Plan is fully subscribed.

When you invest in the Plan, you may receive quarterly income payments of 1.72% depending on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index.

The Plan has been structured to provide the potential to receive income payments, fixed at 1.72% of your Initial Capital, every three months over a six year term.

On each of the 24 observation dates over the six year term, the Closing Levels of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index will be compared with their Initial Index Levels (the Closing Level of each Index on the Investment Start Date).

If, on an observation date, the Closing Levels of **both** Indices are **at or above** 75% of their Initial Index Levels, you will receive an income payment of 1.72%.

If however, the Closing Level of **either** Index is **below** 75% of its Initial Index Level, you will receive no income payment.

The income you may receive is dependent on the Closing Levels of both Indices on each of the following observation dates:

<b>2016</b>	11 January	11 April	11 July	10 October
<b>2017</b>	9 January	10 April	10 July	9 October
<b>2018</b>	9 January	9 April	9 July	9 October
<b>2019</b>	9 January	9 April	9 July	9 October
<b>2020</b>	9 January	9 April	9 July	9 October
<b>2021</b>	11 January	9 April	9 July	11 October

Please note, that if no income is payable on an observation date due to the Closing Levels of either Index on that date, this does not affect the potential to receive subsequent income payments.

Income cannot be reinvested within the Plan.

The Plan has the potential to mature early (kick-out) and pay back your Initial Capital from the second year onwards.

The Plan will mature early if **both** the FTSE 100 Index and the EURO STOXX 50® Index are at least 5% **above** their Initial Index Levels on a relevant observation date. If the Plan matures early, you will receive back your Initial Capital plus a final income payment of 1.72%.

The Plan has the potential to mature early on each of the following quarterly observation dates:

<b>2017</b>				9 October
<b>2018</b>	9 January	9 April	9 July	9 October
<b>2019</b>	9 January	9 April	9 July	9 October
<b>2020</b>	9 January	9 April	9 July	9 October
<b>2021</b>	11 January	9 April	9 July	11 October

Please note, if the Plan matures early, you will not have the option to continue with an investment in the Plan and will not receive any further income payments.

The return of your Capital on the Investment End Date will depend on the Final Index Level (Closing Level on the Investment End Date) of both Indices. Please see page 7 for further details.

The risk to your Capital at the end of the term depends on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index.

Where the Plan has not matured early and runs for the full six year term, the return of your Initial Capital will depend on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index between their respective Initial Index Levels and their respective Final Index Levels.

If both Final Index Levels are **at or above** 60% of their Initial Index Levels you will receive 100% of your Capital.

If one or both Final Index Levels are **below** 60% of their Initial Index Levels the Capital that you receive will be reduced by 1% for every 1% the Final Index Level of the worst performing Index is below its respective Initial Index Level, or fraction thereof.

Where the Plan has not matured early, the table below illustrates how the return of your Initial Capital will be affected by the Final Index Level of the worst performing Index on the 11 October 2021.

Where is the worst performing Final Index Level in relation to its Initial Index Level? %	Capital return %	Capital reduction %
+10	100	0
No change	100	0
-40	100	0
-41	59	41
-55	45	55
-75	25	75

As any potential income you may receive, and the return of your Capital at the end of the term, is dependent on the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index, it is important to understand what they are and how they could affect your Capital and income payments.

The **FTSE 100 Index** is a share index which represents the performance of the UK's 100 largest companies listed on the London Stock Exchange. The index includes many household names such as GlaxoSmithKline, HSBC and Vodafone.

The **EURO STOXX 50<sup>®</sup> Index** is a share index which represents the performance of 50 industry leading stocks from the Eurozone. The index includes many household names such as BMW, L'Oreal and Unilever.

Source: Bloomberg

The graphs above show the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index over the past ten years.

**It is important to note** that the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index move independently of one another and that the performance of the Plan is linked to the performance of both Indices.

**Based on an example**, if the Initial Index Level for the FTSE 100 Index was 6400, and the Initial Index Level for the EURO STOXX 50<sup>®</sup> Index was 3600 the corresponding levels required for income and/or kick-out would be as follows:

	Required level to achieve income (75% of its Initial Index Level)	Required kick-out level (105% of its Initial Index Level)
FTSE 100 Index example	4800	6720
EURO STOXX 50 <sup>®</sup> Index example	2700	3780

In this example you would lose Capital if the FTSE 100 Index closed below 3840 or the EURO STOXX 50<sup>®</sup> Index closed below 2160 on the Investment End Date (60% of their Initial Index Levels).

**The Indices can fall as well as rise and past performance is not a reliable indicator of future performance. The Plan is subject to a maximum potential return and therefore the return you receive could be lower than if you invested directly in the shares of the companies which comprise the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index. Additionally, you will not receive dividend income from those companies.**

## What return am I likely to receive under different future market scenarios?

The risk to your Capital, the length of your investment and any potential income you may receive from the Plan is dependent upon the performance of both the FTSE 100 Index and the EURO STOXX 50® Index.

It is impossible to accurately predict how any stock market Index will perform in the future. However, it is important to carefully consider the likelihood of any loss to your Capital and the potential of receiving income payments under different market conditions.

The following hypothetical examples are provided to demonstrate how you might expect the Plan to perform in different future market scenarios.

### Positive Market Scenario

**The UK and European stock markets perform well and the underlying Indices generally exhibit a positive trend over the Investment Term.**

In a positive market scenario, it is **likely** that both Indices will be at the required levels at the first kick-out opportunity (year two) and the Plan will mature early. If the Plan does mature early, the Plan will close and you will receive back your Initial Capital plus a final income payment.

In this scenario, it is **more than likely** that both Indices will be at or above 75% of their Initial Index Levels on each quarterly observation date. It is therefore **more than likely** that the Plan will return all of the potential income payments over the six year Investment Term, or until such time an early maturity occurs.

In a positive market scenario, it is **very unlikely** that maturity of the Plan will result in capital loss.

### Negative Market Scenario

**The UK and European stock markets perform poorly and the underlying Indices generally exhibit a negative trend over the Investment Term.**

As the Indices are expected to fall over the Investment Term in a negative market scenario, it is **very unlikely** that both Indices will be at their required kick-out levels on an observation date. It is therefore **very unlikely** that the Plan will mature early (kick-out) and **very likely** that it will run to the full six year Investment Term.

In this scenario, it is **very unlikely** that the Indices will be at or above 75% of their Initial Index Levels on each quarterly observation date. It is therefore **very unlikely** that the Plan will return all of the potential income payments over the six year Investment Term.

However, it is **very unlikely** that both Indices will be below 75% of their Initial Index Levels on each quarterly observation date and therefore **very unlikely** that the Plan will return no income payments over the six year Investment Term.

In a negative market scenario, it is **more than likely** that maturity of the Plan will result in capital loss.

## Neutral Market Scenario

**The UK and European stock markets fluctuate, and the underlying Indices may exhibit aspects of both positive and negative trends at different periods over the Investment Term.**

In a neutral market scenario, the likelihood of a particular outcome occurring is balanced in comparison to a positive or negative scenario. With varying degrees of fluctuation in the Indices and no distinct trend, you should expect the Indices to perform positively or negatively at different periods throughout the Investment Term.

In this scenario, it is **unlikely** that both Indices will be at the levels required to mature early (kick-out) at the first kick-out opportunity (year two). It is **unlikely** that the Plan will mature early (kick-out) and **more than likely** that it will run to the full six year Investment Term.

In a neutral market scenario it is **unlikely** that both Indices will be at or above 75% of their Initial Index Levels on each quarterly observation date. It is therefore **unlikely** that the Plan will return all of the potential income payments over the six year Investment Term.

However, it is **very unlikely** that both Indices will be below 75% of their Initial Index Levels on each quarterly observation date and therefore **very unlikely** that the Plan will return no income payments over the six year Investment Term.

In a neutral market scenario, it is **unlikely** that maturity of the Plan will result in a capital loss.

### What is the likelihood of outcomes in these different market scenarios?

	Positive	Negative	Neutral
Kick-out at year 2 (first opportunity)	Likely	Very unlikely	Unlikely
No kick-out	Unlikely	Very likely	More than likely
Receiving all income payments until maturity	More than likely	Very unlikely	Unlikely
Receiving no income payments	Very unlikely	Very unlikely	Very unlikely
Capital loss at maturity	Very unlikely	More than likely	Unlikely

You are most likely to receive income from this Plan in a positive market scenario where the UK and European stock markets perform well. This Plan is therefore most suited to an investor with a positive view of the potential performance of the FTSE 100 Index and the EURO STOXX 50® Index over the Investment Term.

In contrast, it is very unlikely that you will receive the maximum potential income from the Plan if the UK and European stock markets perform poorly and the Indices fall in value over the Investment Term. You will lose a significant amount of the Capital you invested if either of the Indices have fallen by more than 40% of their Initial Index Levels at the Investment End Date.

Different investment products may be suitable for different views of future market conditions and you should consider this Plan in the context of your overall investment portfolio.

**The examples provided are for illustrative purposes only and do not represent actual investment performance nor constitute a forecast of any particular outcome occurring.**

## Counterparty Risk

As Plan Manager, Walker Crips will acquire and hold on your behalf, securities that are specifically structured to match the investment features described in this brochure. These securities will be issued by 'SG Issuer' and guaranteed by 'Societe Generale' (collectively referred to as 'SG' in this brochure).

The type of securities that SG will issue for this Plan are called medium term notes, which are similar to a corporate bond, effectively a loan to SG which entitles you to the potential returns stated in this Plan.

Counterparty risk refers to the risk that the Issuer and guarantor of these notes could fail or become insolvent during the Investment Term and default on repaying your Capital and any return that may be due to you. You may, in this circumstance, lose all or part of your investment.

**Societe Generale has been rated 'A' by Standard & Poor's, as at the time of publication.**

Standard & Poor's is an independent credit rating agency and uses a scale to denote creditworthiness ranging from 'AAA' (highest) to 'D' (lowest). Issuers within the 'A' rating band are described by Standard & Poor's as having strong capacity to meet their financial commitments, but are more susceptible to the adverse effects of changes in circumstances and economic conditions than those issuers rated 'AAA' or 'AA'.

**The Standard and Poor's rating is currently qualified with a 'negative' outlook which means that the rating may be lowered.**

A Standard & Poor's rating outlook assesses the potential direction of a long-term credit rating over the intermediate term (typically six months to two years). In determining a rating outlook, consideration is given to any changes in the economic and/or fundamental business conditions.

**For more information on credit ratings or other methods of assessing the strength of an institution, please consult your financial adviser.**

## Does this Plan meet my investment needs?

Due to the combination of features which contribute to the risk profile of the UK & Europe Target Income Kick-out Plan, you should consult a financial adviser to determine whether this investment is suitable for your individual situation.

**This brochure does not constitute investment advice.**

### The Plan **MAY** be suitable for you if:

- ❖ You understand the nature of the Plan, how income is calculated and the risks involved with investing.
- ❖ You understand that the Plan is a Structured Capital at Risk Product (SCARP) and you are able to withstand the loss of some or all of your Capital.
- ❖ You understand the Investment Term and you will not need access to your Capital for six years. You have other readily accessible funds set aside to meet your immediate financial needs and for emergencies.
- ❖ You understand the Investment Term and accept the possibility that the Plan may mature early if certain conditions are met.
- ❖ You do not need growth from your Capital.
- ❖ You would like the potential to receive income from your Capital over the next six years.
- ❖ You understand that you may not receive any income at all.
- ❖ You want your potential income payments linked to stock market performance.
- ❖ You understand that the Plan is subject to a maximum return and you may receive less than you would have received had you invested directly in the underlying Indices.
- ❖ You have a positive view of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index performance over the next six years.
- ❖ You have a minimum of £10,000 to invest.

### The Plan **MAY NOT** be suitable for you if:

- ❖ You are unsure how the Plan works.
- ❖ You cannot afford to put your Capital at risk, or are uncomfortable in putting your Capital at risk.
- ❖ You do not have other readily accessible funds set aside to meet your immediate financial needs and for emergencies.
- ❖ You are unable to commit to investing your Capital for the six year Investment Term.
- ❖ You are looking for potential growth from your Capital.
- ❖ You would like to add to your investment from time to time or at regular intervals over the six year Investment Term.
- ❖ You do not want your potential income payments linked to stock market performance.
- ❖ You do not have a positive view of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index performance over the next six years.

## Important Points and Risks

Your Capital is at risk and you could lose some or all of your investment. You should seek financial advice to ensure you understand the following risks and are sure of the suitability of this investment for you.

### Counterparty Risk

- In the event that SG fails or becomes insolvent, the Plan will terminate immediately. The amount you receive back from your investment will depend on the market value of your investment at that time. You may receive back less than your Initial Capital.
- As with all similar structured investments, in the event of Counterparty or Issuer insolvency you will not have recourse to the Financial Services Compensation Scheme (FSCS). It is you, the investor, who faces these risks rather than the Plan Manager, Walker Crips Structured Investments.

### Market Risk

- The Plan is designed to provide you with potential income payments, which are dependent on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index. In order to offer the potential to achieve the level of income outlined, your Capital will be put at risk. If one or both of the Indices have fallen below 60% of their Initial Index Levels on the Investment End Date you will lose some or all of your Investment.
- The Plan is subject to a maximum amount of income. The Plan does not invest directly in the shares of any of the FTSE 100 Index or EURO STOXX 50<sup>®</sup> Index companies and you will not therefore receive dividend income from those companies. As such, the returns could be lower than if you invested directly in the shares of the companies of the underlying Indices.
- The Plan is not the same as a deposit account. A deposit account is considered a relatively safe way to invest and normally allows you ready access to your Capital. The UK & Europe Target Income Kick-out Plan gives you the potential to receive income payments from your Capital dependent on the performance of the FTSE 100 Index and the EURO STOXX 50<sup>®</sup> Index; however, your total return could be lower than you would have received in a deposit account.

### Inflation Risk

- Your investment is not adjusted for inflation, therefore, where inflation is high over the Investment Term, the real value of your investment may be reduced.

### Liquidity Risk

- As with all similar structured investments, the Plan is not designed to be bought and sold on a secondary market but is intended to be held by the purchaser for the full Investment Term. Whilst a secondary market exists, it is not guaranteed. Liquidity may therefore be limited and the ability to trade on a secondary market should not be relied upon when choosing to invest in the Plan.
- You should only invest in the Plan if you do not need access to your Capital for the full six year Investment Term. Early withdrawal may result in capital loss.

## Your Questions

### When will I receive any income due?

Income, where due, will be paid by SG into your Walker Crips Account five business days after a relevant observation date.

You can elect either to have income retained within your Walker Crips Account or paid into your bank account. If you elect to have income paid into your bank account, Walker Crips will usually send an electronic payment (BACS) within five business days of receipt of funds from SG.

### Who is eligible to invest?

Anyone aged 18 or over who is resident and ordinarily resident in the UK for tax purposes may invest in the Plan. There is no upper age limit. Direct investments may be in joint names. The Plan is also available for UK trustees (including trustees of pension schemes), UK corporates and UK charities, where the terms of the arrangement permit Investments of this type.

### How can I see a copy of the prospectus?

In addition to this brochure, further information is available in the Prospectus which contains the full information and contractual terms for the securities. If you, or your adviser, would like to review the Prospectus before investing, an electronic copy is available on request from Walker Crips Structured Investments.

### Can I change my mind?

Yes. When your Application Form is received, we will send you a cancellation notice. You will have 14 days from the date you receive this notice to return it. If this is before the Investment Start Date, then you will receive your investment back in full with any accrued interest (if applicable). If this is after the Investment Start Date then we will sell your holding and return the proceeds to you. You may get back less than you invested.

### How will I be kept informed of the progress of my investment?

When your application and payment are received, we will write to you with details of your Plan. We will send you statements twice a year until the Investment End Date so that you can keep track of your investment. You can also call Walker Crips Structured Investments to obtain a valuation on 020 3100 8880 and prices will be published on our website at [www.wcgplc.co.uk/wcsi](http://www.wcgplc.co.uk/wcsi).

### Can I withdraw my money?

If your circumstances were to change and you needed access to your money, you can close your Plan early. However, early encashment may result in a loss of Capital. If you need to close

your Plan before the Investment End Date, you can instruct us to sell your holding. We would need to receive any such instruction in writing in order to arrange for the sale to be made. You can choose to withdraw your investment entirely, or in part. The minimum order we will accept to withdraw from your Investment is £500. An early withdrawal administration charge of £90 will be deducted should you close your Plan, or part of your Plan, early.

In order to sell your holding in the Plan, we will need to sell the underlying securities of the Plan which are held on your behalf. The amount you will receive back will be determined by the market value of these underlying securities. During the Investment Term the value of the underlying securities may go up or down. Different factors, such as a fall in the level of the underlying index (or indices), or a rise in interest rates, can have a significantly negative impact on their value.

### Can I transfer my investments?

It may be possible to transfer your Investments to another plan manager. Should you wish to request a transfer you should ensure that the plan manager accepts transfers of this type. There will be a transfer charge (see page 15) and you may also be charged by the new plan manager.

### What happens at the end of my investment?

Shortly before the Investment End Date, we will write to you regarding your options. You will normally receive financial settlement within 10 business days of the Plan maturing, provided that you complete and return the relevant documentation. Provision of proceeds from the Plan are dependent upon the Plan Manager's timely receipt of maturity proceeds from the Issuer. It may be possible to transfer the proceeds of the Plan into a new investment.

### What happens if I die?

If you die before the Investment End Date, the Plan can be closed or transferred to another person. Your personal representatives should inform Walker Crips and the Plan will be dealt with in accordance with their instructions. The Plan Manager will take instructions from the Trustees or Executors of the deceased with respect to disposals or cash withdrawals upon production of a Sealed Grant of Probate. There will be a charge levied for valuations for probate (see page 15). Please note that an early encashment (further to an early closing of the Plan) may result in loss of Capital, particularly in the early years of the Plan.

### What fees are payable?

Your financial adviser will give you information about any fees that are charged. Those fees can either be settled directly with your adviser, or we can deduct the fee from the amount you invest and pay this amount to your adviser.

### What are the charges for this investment?

The costs associated with marketing, distribution and administering of the Plan have been allowed for in the calculation of returns the Plan is designed to pay. These charges will not exceed 1.7%.

There will be no charges to transfer cash proceeds from an investment at maturity by either standard electronic transfer (BACS) or by cheque. However, there will be instances where we need to cover our administration costs. The table below details a summary of our current charges.

Instance	Charge
If you wish to sell your holding and encash your Plan prior to maturity.	£90.00
If you wish to transfer your ISA holding to another ISA manager prior to maturity.	£90.00
If we are requested to value your holding for Probate.	£30.00 + VAT per holding (maximum £150.00)
If you require any proceeds to be forwarded by same day transfer. (CHAPS)	£15.00

### How do I make a complaint?

If you wish to complain about any aspect of the service you have received from us, you may do so in writing to:

Compliance Department, Walker Crips Stockbrokers Ltd, Finsbury Tower, 103–105 Bunhill Row, London EC1Y 8LZ. Alternatively, you can call 020 3100 8880.

If you are not satisfied with the way Walker Crips handle your complaint, you may be entitled to take your complaint to the Financial Ombudsman Service at Exchange Tower, London, E14 9SR, (tel.) 0800 023 4567 or 0300 123 9123. Please note that making a complaint will not prejudice your right to take legal proceedings.

### Are there compensation arrangements?

Before the Investment Start Date, and after the Plan matures, your cash will be held in a segregated client money account with a UK regulated bank. This cash is protected in accordance with the FCA's client money rules. In the event that Walker Crips becomes insolvent, your cash cannot be accessed by creditors or the bank itself. If the bank holding your cash becomes insolvent, you may be entitled to claim compensation from the Financial Services Compensation Scheme (FSCS). The maximum compensation limit for cash accounts is currently £85,000 per person, per authorised institution. You should be aware, though, that all of your balances with any particular bank, including your personal accounts, would be aggregated in the event that the compensation scheme was triggered.

If SG fails or becomes insolvent, you will not be entitled to claim compensation from the FSCS.

You do not have the right to claim compensation against Walker Crips, or from the FSCS, in relation to poor investment performance of the underlying securities of the Plan.

In other circumstances where you may be entitled to make a valid claim against Walker Crips or your financial adviser and they are unable to meet their liabilities in full, the maximum compensation limit awarded by the FSCS for investments is currently £50,000 per person.

For further information about the scheme contact the Financial Services Compensation Scheme, 10<sup>th</sup> Floor, Beaufort House, 15 St. Botolph Street, London EC3A 7QU or visit the FSCS website at [www.fscs.org.uk](http://www.fscs.org.uk).

There are a number of ways you can invest in the Plan, some of the options may be more tax efficient for you with careful planning.

#### Direct investment

It is Walker Crips' understanding that the returns you may receive on any direct investment in this Plan are subject to Income Tax under present legislation. This will depend on your own circumstances (for example, whether you are a resident of the United Kingdom and whether you earn sufficient income to pay Income Tax). The rate at which Income Tax is paid will also depend on your own circumstances.

#### Pension investment

If you invest via a SIPP (Self Invested Personal Pension) or SSAS (Small Self Administered Scheme), investment returns within your pension are likely to be free of Income Tax and Capital Gains Tax. Before you invest, you should ensure that the terms of your scheme permit an investment of this type.

#### 2015/16 Stocks & Shares ISA investment

You can use your ISA allowance to invest from £10,000 to £15,240 for the 2015/16 tax year, provided that you have not already opened a Stocks & Shares ISA for the period 6 April 2015 to 5 April 2016.

#### ISA transfer

You can transfer an existing Stocks & Shares ISA or Cash ISA, provided the total value of ISA transfers is at least £10,000. This will not affect your annual Stocks & Shares ISA allowance. The Plan is only available for Stocks & Shares ISA subscription and any Cash ISAs transferred will lose their Cash ISA status and will form part of your accumulated Stocks & Shares ISA. There is no maximum limit for ISA transfers.

#### Other arrangements

The Plan is also eligible for most trust, corporate and charity investments. Before you invest, you should ensure that the terms or deeds under which the trust, company or charity was established allow investments of this type.

**All information on taxation in this brochure is based on Walker Crips' understanding of UK tax legislation at the time of writing. The Plan Manager provides the Plan to you on the following Terms and Conditions (of which the Application Form is a part):

## 1. Your Application

a) On the receipt of a duly completed Application Form and cheque (or banker's draft, telegraphic transfer or any other means acceptable to the Plan Manager) the Plan Manager may accept your application subject to these Terms and Conditions. The Plan Manager reserves the right to reject an application for any reason. The Plan is not available to US Persons.

b) You must subscribe to your ISA Account with your own (or your spouse's) cash or by transfer of cash from an existing ISA account. Transfers of cash from existing ISA accounts will normally be arranged with the existing ISA managers. Once the cash from the existing ISA accounts has been transferred, your Account will be subject to these Terms and Conditions. In respect of an ISA transfer, a cancellation notice will be sent to you after the funds are received from your previous ISA manager. If, following an ISA transfer you cancel your ISA Account, you may lose the favourable tax treatment applicable. The Plan Manager reserves the right to withhold any amounts under £1 which cannot be applied to the Plan. The remaining pence will not be returned to you.

c) Individual Savings Accounts ('ISAs') can be either a Stocks & Shares ISA or a Cash ISA. The Plan is only eligible for Stocks & Shares ISA subscription. For the tax year 2015/16, you must not have subscribed and may not subscribe to another Stocks & Shares ISA in the same tax year. You may, however, invest in a Cash ISA in the same tax year if you have not used the maximum ISA allowance of £15,240 for the tax year 2015/16 in your Stocks & Shares ISA. Individuals can transfer money saved in Cash ISAs into Stocks & Shares ISAs without affecting their annual Stocks & Shares ISA allowance. Cash ISAs transferred in this way will form part of your accumulated Stocks & Shares ISAs.

d) You will immediately inform the Plan Manager in writing if you cease to be a qualifying individual for the purposes of the Regulations. The Plan Manager will notify you if, by reason of any failure to satisfy the provisions of the Regulations, an ISA has, or will, become void.

e) The Plan Manager shall not accept any further amounts into an ISA Account if the Regulations no longer give you the right to invest in that ISA Account.

## 2. Cancellation

a) The Plan Manager will give you the right to cancel your Plan within 14 days of the Plan Manager's acceptance of your Application Form. You will be informed of your right to cancel in documents that the Plan Manager sends you at the relevant time. Alternatively you can write to Walker Crips Structured Investments, Finsbury Tower, 103-105 Bunhill Row, London EC1Y 8LZ. If you do so, please provide your name and address and the account number with clear instructions to cancel your investment.

b) If the Plan Manager receives your cancellation notice after the Investment Start Date, it will return to you any cash subscriptions in the Plan, with any accrued interest, less an allowance for a reduction in the market value of the Investments if applicable. You might not get back the amount originally invested in the Plan.

c) Where you do not exercise your cancellation rights, or you do not exercise them within the period allowed for, the Plan will continue in line with the Terms and Conditions.

## 3. Client Categorisation

We will classify you as a retail client as defined in the FCA Handbook, unless we inform you otherwise.

## 4. Anti-Money Laundering

All transactions relating to this Plan are covered by the Proceeds of Crime Act 2002 and the Money Laundering Regulations 2007 (as amended from time to time) and the guidance notes provided by the Joint Money Laundering Steering Group. The Plan Manager is responsible for compliance with these regulations. You may be asked for proof of identity and evidence of address when investing or on early withdrawal or maturity. The Plan Manager may also make enquiries of third parties in verifying identity. This would include electronic verification through a third party provider.

## 5. Client Money

a) Subscriptions received before the Investment Start Date, and proceeds returned following maturity of the Plan, will be held by the Plan Manager in a pooled client money account with an FCA authorised and regulated bank.

b) Your funds are protected in accordance with FCA client money rules, meaning that money belonging to clients is segregated from monies belonging to Walker Crips Stockbrokers Ltd. Therefore, in the event of Walker Crips Stockbrokers Ltd's insolvency or default, there is no right of offset between credit balances held on behalf of clients and any indebtedness of Walker Crips Stockbrokers Ltd. Any shortfall in client money may be shared pro rata among all clients, however, eligible claimants may benefit from the protection of the FSCS in relation to the first £50,000 of a claim. In the event of the bank's insolvency or default, any shortfall in client money may be shared pro rata among all clients. However, eligible claimants may benefit from the protection of the FSCS in relation to the first £85,000 of a claim.

c) No interest will be accrued on funds held prior to the Investment Start Date or following maturity of the Plan.

d) The Plan Manager shall continue to treat unclaimed maturity or allocated funds as client money, in accordance with FCA client money rules, for a period of six years. No interest will be accrued on unclaimed or allocated funds during this period.

## 6. Investments

a) Your investment in the Plan includes an agreement to purchase Investments for your Account. These Investments are securities, which have been structured with a view to meeting the Investment Objective of the Plan. Investment in the Plan will not commit your funds to any extent beyond the amount invested by you.

b) The Investments in your Plan will be exercised or mature on the Maturity Date. The Investments are structured so that their value on that date will correspond to the amount you are due to receive from your Plan in accordance with the Investment Objective. The Plan Manager will contact you prior to the Maturity Date to inform you of any action required by you. The Plan Manager may, at its discretion, repay maturity proceeds to you by transferring the funds into the bank or building society account from where the Initial Capital investment originated. Should this occur, you will be informed in writing by the Plan Manager.

c) Your Investments will be registered in the name of, and documents of title if any will be kept in the custody of, the Nominee, who is not authorised under the Financial Services and Markets Act 2000 and for whose acts and omissions the Plan Manager accepts responsibility. Such documents shall not be lent to any third party and money may not be borrowed on your behalf against the security of those documents.

d) Your Investments will be registered collectively in the name of the Nominee and although the amount of Investments that you hold will be recorded and separately identified by the Plan Manager, your holding may not be identifiable by separate documents or certificates of title. Therefore, in the event of insolvency or default, any shortfall in the Investments may be shared pro rata among all investors in the Plan.

e) At all times during the continuance of the Plan, you will remain the beneficial owner of the Investments held in the Plan and the Plan must not be used as security for a loan. You may not dispose of or transfer an interest in any Investment held in the Plan, and may not create (or have outstanding) any charge or security on or over any Investment.

## 7. Information to clients

a) At all times you or your nominated agent may request sight or a copy of entries in the Plan Manager's records relating to your Investments in accordance with the rules of the FCA Handbook. Such records will be maintained for a minimum of seven years after the Investment Start Date.

b) The Plan Manager will supply you semi-annually with a report on the value of the Investments held through your Account.

c) The Nominee will hold the voting rights (if any) in relation to the Investments in your Plan. The Nominee will have the right to exercise such voting rights (or abstain from exercising them) at its discretion. If you request, the Plan Manager will send you copies of the annual report and accounts and other information which is issued to holders of Investments in your Plan. To make this request please write to Walker Crips Structured Investments.

## 8. Account closure / termination

a) The Plan or any Account may be terminated immediately by the Plan Manager on giving written notice to you if in its opinion it is impossible to administer the Plan or that Account in accordance with the FCA Handbook or Regulations or if you are in breach of the Regulations.

b) The ISA Account will terminate automatically with immediate effect if it becomes void under the Regulations. The Plan Manager will notify you in writing if the ISA becomes void.

c) The Plan Manager may terminate the Plan on one month's notice if you fail to pay any money due under these Terms and Conditions.

d) You may terminate the Plan or any Account at any time by giving written notice to that effect to the Plan Manager. The notice must specify whether you wish the proceeds from the sale of the Investments to be paid directly to you or to be transferred to another Plan Manager. Such notice must be received no later than close of business two days prior to the next Dealing Date. If a Dealing Date is not a Scheduled Trading Day, we will sell your holding on the following day which is a Scheduled Trading Day. There will be a restricted market in the sale of Investments. Early encashment may result in a loss of Capital. An early withdrawal fee of £90 will be charged.

e) Termination of the Plan or any Account will be without prejudice to the settlement of any outstanding fees and will not affect any legal rights or obligations which may have already arisen or any provision of these Terms and Conditions which is expressly or by necessary implication intended to survive termination. On termination, the Plan Manager will promptly account to you for the proceeds of sale of the Investments held through your plans save that it will be entitled to retain any funds required to pay any outstanding tax or other amounts payable from the Plan.

## 9. Taxation

a) For UK residents, under current legislation, the proceeds of an ISA Account will not be subject to either UK Income Tax or UK Capital Gains Tax and any gains or losses on your investment will be disregarded for the purposes of UK Capital Gains Tax. Where Investments are held through a Direct Account, you may be subject, depending on your personal circumstances, to UK tax on any income received or any capital gain arising on disposal. These statements are based on current legislation, regulations and practice, all of which may change.

b) The levels and bases of taxation and reliefs from taxation can change at any time. The value of any tax reliefs will depend on individual circumstances.

## 10. Death

On your death, your Plan will be dealt with in accordance with the instructions of your personal representatives. The Plan Manager will continue to hold your assets until instructions are received from your personal representatives. Your personal representatives can sell your Investments or transfer them to your beneficiaries. The Plan Manager is entitled to deduct any withdrawal fees. A maximum charge of £150 will be levied for valuations for probate.

## 11. Charges

The returns which you are due to receive in accordance with the investment objective are net of all anticipated charges & expenses. The charges exclude any such tax or charges for taxation charges, and any fees agreed with your adviser to be deducted from your Initial Capital. The total charges for this product are taken on the Investment Start Date. If you terminate your Plan before maturity, a charge of £90 will be deducted. The charges taken at the Investment Start Date will not be rebated. If however you exercise your cancellation rights, you will receive a full refund of any charges. Please note that it is possible that you will be liable to pay additional taxes or costs that are not paid, or imposed, by us.

## 12. Liability

a) The Plan Manager will maintain insurance cover to indemnify you against, inter alia, misappropriation of funds or securities by any employee of the Plan Manager. You will indemnify the Plan Manager and the Nominee against any liability or loss which the Plan Manager or the Nominee may suffer or incur (including taxes for which you are primarily liable and any expenses reasonably and properly incurred) in the proper course of administering your Account, except to the extent arising from any negligence, wilful default or fraud on the part of the Plan Manager or the Nominee.

b) The Plan Manager may employ agents in connection with the services it is to provide and may delegate any or all of its powers or duties to any delegate(s) of its choice in accordance with the Regulations. The Plan Manager will satisfy itself that any person to whom it delegates any of its functions or responsibilities under these Terms and Conditions is competent to carry out those functions or responsibilities. The Plan Manager shall not be liable for the

negligence or misconduct of any such agent or delegate, except where it has been negligent in its choice of such agent or delegate, not excluding or restricting any liability towards you to which, by virtue of the Regulations, the Financial Services and Markets Act 2000, or the FCA Handbook, the Plan Manager may be subject.

c) The Plan Manager will exercise its authority under these Terms in an appropriate way. However, whilst the Investments will be structured with a view to meeting the Investment Objective on the Maturity Date, the Plan Manager is unable to (and does not) ensure that the Investment Objective will be met. You acknowledge that you have read and understood these Terms and the risk factors set out in the brochure provided to you in connection with your Plan. In particular, you acknowledge that your entitlement under the Plan is dependent on the exact terms of issue of the Investments. These may contain provisions allowing for (a) adjustments to the timing of calculation of entitlements and (b) the termination of the Investments, including (without limitation) in circumstances where the Counterparty is in default. Investors needing a fuller understanding of the detailed risks under the Investments are referred to the Prospectus for the securities (a copy of which shall be made available upon request from the Counterparty or the Plan Manager). No provision in these Terms will operate so as to exclude or limit the liability of the Plan Manager to the extent that this would be prohibited by law or the FCA Rules.

d) The Plan Manager will exercise due care and diligence in managing your Plan. However, the Plan Manager and its Associated Companies will not be liable to you:

- i) if the Issuer fails or becomes insolvent;
- ii) for any default by any securities depository with whom your Investments are deposited;
- iii) or any loss, depreciation or fluctuation in the value of the Investments held within your Plan, except as a result of fraud, negligence or wilful default by the Plan Manager or any Associated Company;
- iv) or any adjustments or terminations provided for in the Terms of the Investments as described in these Terms & Conditions.
- v) if the Plan Manager cannot carry out its responsibilities because of circumstances beyond its reasonable control; or
- vi) for the acts or omissions of any professional adviser who arranged your investment in a Plan.

e) In the event of any failure, interruption or delay in the performance of its obligations resulting from breakdown, failure or malfunction of any telecommunications or computer service, industrial disputes, insolvency of third parties or failure of third parties to carry out their obligations, acts of governmental or supranational authorities, or any other event or circumstance whatsoever not reasonably within its control, the Plan Manager shall not be liable or have any responsibility of any kind for any loss or damage you incur or suffer as a result.

## 13. Market Disruption, Extraordinary Event, Adjustment Event

a) If a market disruption event, Extraordinary Event or any adjustment event occurs, the Calculation Agent may make necessary adjustments to the terms of the Investments in their sole and absolute discretion, acting in good faith and in a commercially reasonable manner. This may include termination of the Investments.

b) Such events include, but are not limited to, the early closure of a relevant exchange on which an underlying share is listed, disruption of such an exchange or the suspension of trading on such an exchange.

c) Any adjustment could include the removal or substitution of the affected company, or early redemption of the Plan. In the case of early and unscheduled redemption it is possible that you will receive back less than your Initial Capital.

## 14. Conflicts of Interest

The Principles for Businesses of our regulator, the FCA, say that a firm must manage conflicts of interest fairly, both between itself and its customers and between one customer and another. Walker Crips Structured Investments has a policy to assist it in meeting this principle, as it is required to do by the regulator. In our policy, we have identified types of potential conflict that may arise in the course of providing services to our customers. Our aim is to ensure any such conflicts are properly managed. We keep a record of these and monitor the organisational and administrative arrangements we

have to manage them. The types of conflict we monitor and manage are those which could weaken our internal controls and lead to unfair treatment of clients. They cover areas like gifts and hospitality, personal dealings, fees and remuneration, security of information, commercial interests and fair dealing as between one client and another. Further details can be sent on request.

#### 15. Data Protection

a) In accordance with Data Protection legislation we will handle all information we obtain about you in the course of providing our services, lawfully and fairly in accordance with our position as a data controller. You agree that we may disclose this information solely to either other data controller entities within the group (and our agents provided they have similar obligations in respect of data processing) or, and without reference to you, to other financial services institutions seeking to verify your identity for anti-money laundering purposes. You agree that we may, as we consider necessary, make enquiries, obtain references and undertake electronic verification checks on any data you provide to us. We may record the results and use the information obtained to help us comply with UK regulations on identifying clients, reporting fraud and market abuse or to report other suspected breaches of UK financial services legislation.

b) You authorise the Plan Manager to provide HM Revenue & Customs with all relevant particulars of the Account and its investments which HM Revenue & Customs may reasonably request at any time.

#### 16. Compensation Arrangements

If you make a valid claim against the Plan Manager or your financial adviser in respect of the investments arranged for you under these Terms and Conditions and they are unable to meet their liabilities in full, you may be entitled to compensation from the Financial Services Compensation Scheme. Most types of investment business are covered, the maximum compensation is £50,000. Details of the cover provided by the Scheme are given in a leaflet which the Plan Manager will send to you at your request. Further information is available from the FCA and the Financial Services Compensation Scheme. If the performance of the investments does not match any illustrated benefits there will not, for that reason alone, be any entitlement to any compensation under the Financial Services Compensation Scheme.

The Plan Manager will write and speak to you in English throughout the duration of your investments. For your security and for training and monitoring purposes telephone conversations may be recorded.

b) Nothing in these Terms and Conditions shall restrict the Plan Manager's right to provide investment services to others.

#### 19. Amendments to these Terms and Conditions

a) The Plan Manager may vary these Terms by giving you reasonable written notice:

i) to comply with any changes to the Regulations, other relevant legislation, HM Revenue & Customs practice and the FCA Rules (or the way they are applied);

ii) to make them fairer to you or to correct a mistake (provided this correction would not adversely affect your rights); or

iii) in order to administer your Plan more effectively, or to introduce additional facilities or options within your Plan.

b) The Plan Manager will notify you of any such change as soon as is reasonably practicable after the change has been made, if you have not been given prior notice.

c) Notices will be duly given by the Plan Manager and sent to the last address notified to the Plan Manager by the Investor or its agent.
