

UK 95% Kick-out Plan

Issue 4 (MS034)

Plan Summary

Potential Early Maturity (Kick-out)

The Plan has the potential to mature early (kick-out) from the second anniversary and annually thereafter depending on the performance of the FTSE 100 Index.

If, on an Anniversary Date, the closing level of the FTSE 100 Index is **at or above 95% of the Initial Index Level**, the Plan will mature early and your Initial Investment will be repaid to you, plus an accumulated return of 8% for each year that has elapsed since the Investment Start Date.

If, however the FTSE 100 Index closes **below 95% of the Initial Index Level** on an Anniversary Date, the Plan will continue to the next Anniversary Date.

Final Redemption

Where the performance of the FTSE 100 Index has not activated an early maturity and the Plan runs for the full seven year term, the final value of the Plan will be determined by the Final Index Level of the FTSE 100 Index on the Investment End Date.

If the Final Index Level is **at or above 95% of the Initial Index Level**, your Initial Investment will be repaid to you, plus a return of 56%.

If the Final Index Level is **below 95% of the Initial Index Level**, but **at or above 60% of the Initial Index Level**, your Initial Investment will be repaid to you, but you will not receive a return from your investment in the Plan.

If, however, the Final Index Level is **below 60% of its Initial Index Level**, repayment of your Initial Investment will be reduced by 1% for every 1% the Final Index Level is below the Initial Index Level, and you will not receive a return from your investment in the Plan.

Return of proceeds

Your maturity proceeds (including Initial Investment, plus any returns from the Plan or minus any deductions) will be applied to your Walker Crips account within 10 business days of the Investment End Date (or relevant Anniversary Date), subject to timely receipt of the funds from the issuer.
